Home Workouts A. G. Scott, 2020-10-12 How to tone and sculpt your body even if you hate cardio or have never stepped inside a gym and don t plan on doing so At one point or another we ve all told ourselves I m going to sign up for a gym membership and really do it this time or I swear I ll do my workout later on tonight We all know the benefits of exercise It improves our physical and mental health gives us more energy and boosts our self image So why is it so hard to start an exercise regimen and even harder to stick to it Despite our best intentions life gets in the way and there always seems to be

an obstacle stopping us from actively trying to live healthier. Whatever the reason, continuing to live a sedentary lifestyle isn't doing you any favors. In fact, physical inactivity is the 4th leading risk factor for global mortality and is a strong predictor for weight gain, cardiovascular disease, and other chronic conditions. Does this mean that you have to make drastic lifestyle changes to start improving your health, mentally and physically? Or that you need to give up time doing what you love just so you can spend hours in the gym? Not at all! I'll let you in on a secret that the fitness industry doesn't want you to know: You don't need fancy equipment or expensive trainers to sculpt the body that you've only imagined. A G Scott knows firsthand the amazing results that can be achieved with home workouts, and so he has put together the only exercise guide you'll ever need: *In Home Workouts: Anyone, Anytime, Anywhere*. You will discover the six key elements every workout must have in order to make the most of your time and effort, and how they will have you seeing results sooner than you would believe. Exercises for every muscle group and fitness level with clear, comprehensive instructions, diagrams, and variations so you're working your target areas every time. The 1 upper body workout that will rapidly build your overall strength. Hint: small adjustments make big changes. How this engaging training method can help you burn more calories than traditional cardio and continue to burn calories even after your workout is finished. The numerous benefits of dynamic stretching and how that one simple habit not only warms up your muscles but also improves your balance and coordination over time. Meal plans that can be adapted for any lifestyle so you can create a plan that meets your personal needs and preferences. The most common mistakes people make without realizing and how these can hold you back from achieving incredible results. And much more. With the demands and responsibilities of everyday life, you shouldn't have to sacrifice precious hours every week going to the gym to build the body you've always wanted. The key to transforming your life is having a workout routine that works for you, not against you. This is a plan that will adjust to match your needs and experience, no matter where you are. It's time to leave the costly gym membership behind, save money, and allow yourself more time to enjoy life. If you start today, think how much better you will look and feel in a month. If you want to start looking forward to exercise and commit to achieving the body of your dreams, no strings attached, then scroll up and click the Add to Cart button right now.

Circuit Training for Beginners Andrew Hudson,2020-11 71 6% of Americans are Overweight in 2021 Keep Reading to Lose Weight and Stand Out from the Majority After walking up the stairs how are you feeling Do you feel pain in certain parts of your body Are you having to take a break because you re out of breath Or if you feel fine would you agree that it s

unlikely you'll be able to walk back down the stairs without a problem. It is starting to become normal to be overweight. I am sure many of you may have answered yes to the previous questions. You may even be ashamed of your own body, feel tired 24/7 and struggle with health issues. There are many other physical and mental issues that I am sure you struggle with daily because of your unhealthy lifestyle, even if you walk up the stairs without a problem, other issues will affect you negatively. I know what it is like to be a part of that 71.6% and I know how hard it is to lose weight, but I followed simple advice that you will find in this book and managed to improve my quality of life by losing weight. Now as a Qualified Personal Trainer, it is clear to say the change in my lifestyle has brought the best out of me, and I want to help you make that change. This book will help you make a great start to your weight loss journey. Getting started is the hardest part because you don't know what to do, you don't want to waste time, you don't want to spend money on gyms, and most of all, you need motivation, which isn't easily found. This book will provide you with many beginner exercise routines to follow, a starter 6-week workout plan, lots of basic dietary information, and much more to get you burning fat efficiently. Although exercise and a healthy diet may be difficult, it's needed to make a change to your lifestyle, and it really is for the best. I couldn't count all of the health risks you have by being overweight with one hand, and unfortunately, there aren't any magic drinks out there that will make you burn all of your fat overnight. This book mainly focuses on providing you with many basic workouts to get you on track to lose weight. By following the information in this book and putting in the work, you will be able to lose weight, burn fat at a constant rate, and maintain a healthy lifestyle for the foreseeable future. This brings many benefits like increased confidence, better body shape, reduced health issues, and so on. This book is for beginners and takes into consideration the restrictions that people face. My friend with a BMI of 33.1 and osteoarthritis in both knees managed to follow my advice to become slimmer, more confident, and experience less knee pain in just 6 weeks. So if restrictions didn't stop him, why should it stop you? This isn't just a standard exercise guide; although it is set up for 6 weeks, there is enough information to help you carry it on further. Not only that, but by reading this book, you'll discover: The Six Week Starter Workout Routine to Follow from Home, How to Correctly Prepare for Exercise, The Simple Diet That Accelerates Weight Loss, An Insight on How to Adapt Your Mindset to Reach Your Goals, Many Steps on How to Leave Your Unhealthy Lifestyle Behind, 35 No Equipment Exercises. If you continue to live your current lifestyle without making a change, then your health will only get worse. Trips to the hospital are easily avoided, and you really can do it, even if you have something holding you back, so stop thinking about it and click Add to Cart Now.
