194 High-Impact Letters for Busy Principals Marilyn L. Grady, 2006-07-21 Grady's book encourages principals who are perpetually pressed for time to get to correspondence that languishes at the bottom of their to do lists. My own correspondence has doubled since getting my hands on this book. Cathie West, Principal, Mountain Way Elementary School, Granite Falls, WA. The letters cover a wide variety of topics and give administrators ideas on what kind of letters to write. After going through the letters, I realize that I need to send more letters of appreciation to parents and organizations. Gina Segobiano, Principal, Superintendent, Signal Hill School District, 181 Belleville, IL. Build a culture of care with positive communication. As the key communicators for schools, principals write a wide range of correspondence from thank you letters and congratulations to best wishes and other personal notes. Yet this critical responsibility can easily fall victim to every administrator's busy schedule. Marilyn Grady's updated and expanded collection of letters is truly a time-saving starter kit with user-friendly and easy-to-personalize templates to revitalize every busy administrator's communications repertoire. This practical resource provides jargon-free templates useful for improving communication with parents, teachers, and other school stakeholders. Initiating a letter a day plan to improve school culture. Advancing parent education, health, and wellness and safety initiatives among others. Reminding you to communicate with all stakeholders. Evaluating your current written communication. Identifying areas where you could communicate more. This targeted collection will add a new level of organization, efficiency, and effectiveness to your communication tasks. Unlock the secrets of effective communication and watch relationships on all levels flourish. Includes a PC and Mac compatible CD-ROM containing all letters for easy customization.

**124 High-Impact Letters for Busy Principals** Marilyn L. Grady, 2000-08-16 The letters that can make a difference in the principalship often are the letters that principals have no time to prepare. Clearly, principals know how to write letters. They simply have incredible time constraints. The letters in this manual are not a substitute for the personalized letters that principals will craft. This collection is merely a starter kit. The timesaving templates are easy to personalize and customize with the CD that provides a powerful and effective tool ready at the click of the computer mouse.
