Welcome Letter For Softball Try Outs:

We Were the All-American Girls Jim Sargent,2013-05-03 Here are 42 interviews with women who competed in the All American Girls Professional Baseball League Each interview features data about the player a short summary of her athletic career and the player s recollections A brief history covers the many changes as the league evolved from underhand pitching with a 12 inch circumference ball in 1943 to overhand pitching adopted in 1948 through the circuit s final year 1954 when a regulation baseball was introduced The interviews range from 1995 to 2012 and reveal details of particular games highlights of individual careers the camaraderie of teammates opponents and fans and the impact the League made on their lives Several players recall how the 1992 movie A League of Their Own brought the historic All American League back to life almost 40 years after the final game was played

Painting the Corners Bob Weintraub,2017-10-31 Bob Weintraub s marvelous collection of baseball stories goes directly to the core of what the game does for us when we watch it being played on the field and shows how its heroes and villains can reach into our lives and remain a part of us for the rest of our days The stories are told from various perspectives including those of the player manager general manager coach scout owner writer broadcaster and fan In Knuckleball a manager is beside himself when he can t let his star knuckleball pitcher start the seventh game of the World Series because the only catcher he s ever had in the big leagues suddenly goes down with an injury The team from Alcatraz in The Way They Play Is Criminal has a bag full of dirty tricks waiting to spring on its San Quentin rivals and it uses them all A father on a college tour with his daughter happens upon the very same autographed baseball he saw a friend catch in Fenway Park s bleachers thirty years earlier and learns in The Autograph how a twist of fate has brought the friend together with the player who hit it In these and other stories now in paperback Weintraub infuses baseball with humanity originality humor and compassion and raises the game to a new level of understanding and love
