Tween Girls And God Encounters With Jesus:

Parenting Your Teens and Tweens with Grace (Ages 11 to 18) Dr. Greg, Lisa Popcak, 2021-04-29 Being a parent of adolescents is tough work. Trying to raise faithful teens and tweens can seem like an impossible mission. Today's Catholic parents need access to the best tools and most up to date research to help them fully cooperate with God's grace. That's what Dr. Greg and Lisa Popcak seek to help you do in *Parenting Your Teens and Tweens with Grace*. Building on their best selling book *Parenting with Grace* first published twenty years ago, this new volume draws on the same parenting principles and provides up to date research to guide parents on how to raise preteens and teenagers with grace and joy. Practical, faithful and humorous, *Parenting Your Teens and Tweens with Grace* will help you discover proven strategies for raising happy, faithful, loving preteens and teens. Overcome common parenting problems from ages 11 to 18. Create an uncommonly close, joyful family life. Experience your faith as the source of the warmth in your home. You can experience family life as the key to becoming the person God created you to be and help your teens do the same. By integrating the Church's vision for family life with what science can teach about living out that vision in healthy ways, you can feel confident that you have what it takes to raise great, godly teens and tweens. About the Authors: Dr. Greg and Lisa Popcak are the authors of over twenty books and the hosts of *More2Life*, a call-in advice program airing weekdays on EWTN and SiriusXM 130. Together they direct CatholicCounselors.com, a Catholic tele-counseling practice serving couples, families and individuals around the world. In collaboration with Holy Cross Family Ministries, Dr. Greg and Lisa founded the Peyton Institute for Domestic Church Life, which promotes family spirituality and family well-being through professional training and original research. The Popcaks are members of the U.S. Conference of Catholic Bishops National Advisory Board for Marriage and Family Ministry.

Drama Tweens Katherine Turpin, 2017-03-13 Because of their ever-changing personalities, their high energy and their emerging ability to think critically, younger adolescents present a special faith formation challenge to the congregations who love them. This book explores an educational strategy of creating biblical dramas with tweens for spiritual formation and increased familiarity with the Christian tradition. The project of creating a drama for presentation to the congregation invites tweens to dig into the history of interpretation of the story to make connections across the biblical text and to engage with the characters in relevant ways to their own experiences. Writing and producing a small play in worship allows them to share their learnings with the rest of their faith community. The book helps prepare adult volunteers to better understand the transformations happening in the late elementary and middle school years and to lead tweens through this process with confidence. Five sample plays, all co-written and performed by the tweens of Christ Church United Methodist in Denver, Colorado, are also included. These slightly snarky but fearlessly faithful interpretations model the kind of depth engagement with biblical stories that the Drama Tweens process hopes to create.
