David Lamb,2005-07-26 Is the Search for Extra Terrestrial Intelligence a genuine scientific research programme David Lamb evaluates claims and counter claims and examines recent attempts to establish contact with other intelligent life forms He considers the benefits and drawbacks of this communication how we should communicate and whether we actually can He also assesses competing theories on the origin of life on Earth discoveries of former solar planets proposals for space colonies and the consequent technical and ethical issues *Knowledge of 21st Century* Sergey Tmenov,2011-01-14 The materials presented in this book are for reference only Authors and administration of devida info can not be held liable for mental anguish potential losses injury or death Authors and administration of devida info are not responsible for any use of this book The reader fully accepts any risk or possible consequences Second edition revised and enlarged In this edition of the world best seller Knowledge of the 21st century included the materials tested and confirmed by at least 12 independent sources Currently a huge amount of material undergoes additional testing and confirmation With the additional materials you can find a spiritual portal De Vida The book is translated into 60 languages The total print run of more than 8 million copies

Intimate Alien David J. Halperin,2020-03-24 A voyage of exploration to the outer reaches of our inner lives UFOs are a myth says David J Halperin but myths are real The power and fascination of the UFO has nothing to do with space travel or life on other planets It's about us our longings and terrors and especially the greatest terror of all the end of our existence This is a book about UFOs that goes beyond believing in them or debunking them and to a fresh understanding of what they tell us about ourselves as individuals as a culture and as a species In the 1960s Halperin was a teenage UFOlogist convinced that flying saucers were real and that it was his life's mission to solve their mystery He would become a professor of religious studies with traditions of heavenly journeys his specialty With *Intimate Alien* he looks back to explore what UFOs once meant to him as a boy growing up in a home haunted by death and what they still mean for millions believers and deniers alike From the prehistoric Balkans to the deserts of New Mexico from the biblical visions of Ezekiel to modern abduction encounters *Intimate Alien* traces the hidden story of the UFO It's a human story from beginning to end no less mysterious and fantastic for its earthliness A collective cultural dream UFOs transport us to the outer limits of that most alien yet
