Watching Over The Heart:

Looking upon the Heart Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus

A Nobody's Heart Jessica Powles, 2012-09 **The Bleeding Heart** Shellbie Breau, 2021-06-10 The Bleeding Heart The Eternal Love Novels By Shellbie Breau What would you do in a world that was not what it seemed In a world that our deepest darkest fears and the boogie monsters that we swore were under our beds at night were real Join me in a story about a girl that should have never existed and a guy that was disowned by his pack and left to fight for himself What will happen and is love to overcome all boundaries and taboos of their world My feet

pounding against the ground My heart racing to keep up I ran I ran as hard I could I can't fail I thought I can't fail her she must live for Abigail she must live for all who suffered at the hands of those monsters His speed slowed at the memory of his beautiful wife that died only a couple hours ago giving birth to his one and only baby girl FLEE His Bain screamed at him They are right behind me RUN He could sense his pursuit behind him he could hear them thrashing through the forest screaming at and cursing as they chased him He increased his speed Yes he thought chase me because every step you take is a step away from my angel Isabella you will not have her Give up they screamed behind me there is nowhere to run you will burn for the crimes you committed against your race He couldn't help but laugh at that as he ran through the thick brush and undergrowth of the forest in the northern mountains of Montana he laughed so hard he almost lost his footing gathering his wits again he screamed over his shoulder If loving another is a crime then I would do it a thousand times more The Bleeding Heart follows a young lady who progresses through life that is constantly challenging her in her mortality her personality and basically everything about her It throws obstacles at her that normal people probably wouldn't get over and with her It makes her personality and her overall character grow in to a story line hero even though she doesn't really want to be a hero The Bleeding Heart reminds us that we should never think we don't have a voice and even though this life may make us seem as if we are on a rollercoaster going up and down and we can't seem to stop we can't seem to make anything go right we do have people who surround us who care enough about us to help
