Lyons,2021-02-23 For many the Beatles offered a delightful alternative to the dull and the staid while for others the mop top haircuts the unsettling music and the hysterical girls that greeted the British imports wherever they went were a symbol of unwelcome social and cultural change This opposition to the group more widespread and deeper rooted in Chicago than in any other major American city increased as the decade wore on especially when the Beatles adopted more extreme countercultural values At the center of this book is a cast of characters engulfed by the whirlwind of Beatlemania including the unyielding figure of Mayor Richard J Daley who deemed the Beatles a threat to the well being of his city the Chicago Tribune editor who first warned the nation about the Beatle menace George Harrison s sister Louise who became a regular presence on Chicago radio the socialist revolutionary who staged all of the Beatles concerts in the city and used much of the profits from the shows to fund left wing causes the African American girl who braved an intimidating environment to see the Beatles in concert a fan club founder who disbelievingly found herself occupying a room opposite her heroes when they stayed at her father s hotel the University of Chicago medical student who spent his summer vacation playing in a group that opened for the Beatles on their last tour and the suburban record store owner who opened a teen club modeled on the Cavern in Liverpool that hosted some of the biggest bands in the world Drawing on historical and contemporary accounts Joy and Fear brings to life the frenzied excitement of Beatlemania in 1960s Chicago while also illustrating the deep seated hostility from the establishment toward the Beatles *Do You Believe in Rock and Roll?* Raymond I. WCFL Weekly Music Charts Frank Hoffmann,2015-04-20 WCFL fought a close battle with WLS for the lucrative Chicago Top 40 radio market from the mid 1960s through the 1970s In fact many of the top deejays in the nation worked at both stations This volume includes WCFL's weekly pop music charts from December 1965 through December 1970 Also includes an historical survey of the station Like the other radio charts titles my goal was to provide a convenient chronological compilation of weekly surveys with corrections of the considerable errors found in both the original sources and in translation to online sites These radio charts which exist in the public domain can be found in a multitude of sources including original published sheets distributed via retail outlets mail inquiries etc notation of on air broadcasts back issues of area newspapers where stations are located and music trade periodicals specialized reference books and websites interested in historical documentation most notably Oldies100 musicradio77 and ARSA I employed multiple sources in the compilation of each radio chart volume in order to provide the most accurate data possible *Chicago Top 40 Charts 1960-1969* Ron Smith,2001-08 Music charts have been around as long as recorded music and radio programs from Your Hit Parade to American Top 40 have capitalized on the idea of counting down the day's top hits Chicago Top 40 Charts 1960 1969 documents those songs that dominated the Midwestern airwaves during that decade considered by many to be top 40's golden age Many of the songs listed did not appear at all on the national charts Others including local acts fared much better in Chicago than in the rest of the country Chicago Top 40 Charts 1960 1969 contains an alphabetical listing by title and by artist of every tune listed on the WLS Silver Dollar Surveys during those years It also lists the top 40 songs of each year and for the entire decade as well as a supplemental listing of songs on the station's Rhythm and Blues chart of 1964 For those who grew up listening to radio in the Windy City as well as for record collectors from anywhere Chicago Top 40 Charts 1960 1969 will be a valued addition to any music reference library **Chicago Top 40 Charts 1970-1979** Ron Smith,2001-11 Chicago Top 40 Charts 1970 1979 examines the Windy City's top hits as documented by the weekly record store surveys issued by radio station WLS As rock n roll music entered its third decade it was finding itself increasingly fragmented which challenged the ratings dominance top 40 radio had exhibited throughout the 1960s But while FM listening overtook AM in the rest of the country by the decade's end Chicago was the exception WLS managed to stave off its competition with their commitment to playing Chicago's favorite music regardless of genre That music is documented in this book Chicago Top 40 Charts 1970 1979 lists every song to reach the WLS survey alphabetically by title and artist with debut and peak dates highest position reached and number of weeks on the charts The top songs of each year and for the entire decade are ranked as well As an added bonus it features the Big 89 Artists of the 1970s For those who grew up listening to Chicago radio as well

Chicago Top 40 Charts 1980 Ronald P. Smith, 2002-04-24 With the advent of retro music shows and eighties music formats radio has clearly revived interest in that decade Chicago Top 40 Charts 1980 1990 examines the Windy City's top hits from that era by way of the weekly music surveys issued by radio stations WLS and WYZZ Transition and change were the watchwords for radio and music in Chicago in the 1980s Dance heavy metal alternative music and the advent of boy bands all changed the face of contemporary music as it became the property of FM radio leaving AM to talk Meanwhile the rise of cassettes and CDs as singles became less important and the loss of mom and pop record stores in favor of giant chains eventually resulted in the demise of the printed survey that previous generations had collected and cherished This book documents that music and those charts one last time Chicago Top 40 Charts 1980 1990 lists every song to reach the WLS and WYZZ surveys alphabetically by title and artist with debut and peak dates highest position reached and number of weeks on the charts The top songs of each year and for the entire decade are ranked as well For those who grew up listening to Chicago radio as well as for record collectors from anywhere Chicago Top 40 Charts 1980 1990 will be a valued addition to their music reference libraries
