We Are The Union Democratic Unionism And Dissent At Boeing:

We Are the Union Dana L. Cloud, 2011-11-01 In this extraordinary tale of union democracy Dana L Cloud engages union reformers at Boeing in Wichita and Seattle to reveal how ordinary workers attempted to take command of their futures by chipping away at the cozy partnership between union leadership and corporate management Taking readers into the central dilemma of having to fight an institution while simultaneously using it as a bastion of basic self defense *We Are the Union* offers a sophisticated exploration of the structural opportunities and balance of forces at play in modern unions told through a highly relevant case study Focusing on the 1995 strike at Boeing Cloud renders a multi layered account of the battles between company and the union and within the union led by Unionists for Democratic Change and two other dissident groups She gives voice to the company s claims of the hardships of competitiveness and the entrenched union leaders calls for concessions in the name of job security alongside the democratic union reformers fight for a rank and file upsurge against both the company and the union leaders *We Are the Union* is grounded in on site research and interviews and focuses on the efforts by Unionists for Democratic Change to reform unions from within Incorporating theory and methods from the fields of organizational communication as well as labor studies Cloud methodically uncovers and analyzes the goals strategies and dilemmas of the dissidents who while wanting to uphold the ideas and ideals of the union took up the gauntlet to make it more responsive to workers and less conciliatory toward management especially in times of economic stress or crisis Cloud calls for a revival of militant unionism as a response to union leaders embracing of management and training programs that put workers in the same camp as management arguing that reform groups should look to the emergence of powerful industrial unions in the United States for guidance on revolutionizing existing institutions and building new ones that truly accommodate workers needs Drawing from communication studies labor history and oral history and including a chapter co written with Boeing worker Keith Thomas *We Are the Union* contextualizes what happened at Boeing as an exemplar of agency that speaks both to the past and the future *Save Our Unions* Steve Early, 2013-11 *Save Our Unions* Dispatches From A Movement in Distress brings together recent essays and reporting by labor journalist Steve Early The author illuminates the challenges facing U S workers whether they re trying to democratize their union win a strike defend past contract gains or bargain with management for the first time Drawing on forty years of personal experience Early writes about cross border union campaigning labor strategies for organizing and health care reform and political initiatives that might lessen worker dependence on the Democratic Party *Save Our Unions* contains vivid portraits of rank and file heroes and heroines both well known and unsung It takes readers to union conventions and funerals strikes and picket lines celebrations of labor s past and struggles to insure that unions still have a future in the 21st century The book s insight analysis and advocacy make this an important contribution to the project of labor revitalization and reform *Writing Democracy* Shannon Carter, Deborah Mutnick, Stephen Parks, Jessica Pauszek, 2019-08-14 *Writing Democracy* The Political

Turn in and Beyond the Trump Era calls on the field of writing studies to take up a necessary agenda of social and economic change in its classrooms its scholarship and its communities to challenge the rise of neoliberalism and right wing nationalism Grown out of an extended national dialogue among public intellectuals academic scholars and writing teachers collectively known as the Writing Democracy project the book creates a strategic roadmap for how to reclaim the progressive and political possibilities of our field in response to the twilight of neoliberalism Cox and Nilsen ascendant right wing nationalism at home Trump and abroad Le Pen Golden Dawn UKIP and hopeful radical uprisings Black Lives Matter Occupy Wall Street Arab Spring As such the book tracks the emergence of a renewed left wing in rhetoric and activism post 2008 suggests how our work as teachers scholars and administrators can bring this new progressive framework into our institutions and then moves outward to our role in activist campaigns that are reshaping public debate Part history part theory this book will be an essential read for faculty graduate students and advanced undergraduate students in composition and rhetoric and related fields focused on progressive pedagogy university community partnerships and politics
