Heartfelt Lays Dell H. Pate, 1928 **Weebutterfly** Talentino, 2015-05-15 If as most of us are in today's frenetic world seem to be doing you're battling to make sense of life the world around us and your place in it you're invited to explore the writings of Jim Talentino Take some time out and stop the treadmill of your life Stop lurching from home to work to studies to kids to obligations Take some time out to explore what your calling in this life really is In this wealth of writing a legacy left by Jim Talentino over twenty years ago we are invited to tap into the wisdom that he found within himself when he struggled with some of life's greatest questions so that we might weigh his answers for ourselves when we reflect on the same questions that he struggled with This is not a book of answers but rather an offering of new perspectives that we are invited to evaluate in our own journey as we search for meaning and purpose The ideas put forward may challenge everything you thought you ever knew to be true The reading of and reflection on these stories are designed to encourage a spiritual journey of inner self discovery WeeButterfly encourages us to live our life all the way and be all of who we are to be right now in this very moment following our inner voices and fluttering through each moment of our existence Free to express all of who we are and enrich the world with our unique individuality and diversity WeeButterfly is the first instalment in a three part series published by the ButterflyFree Project Other books in this series include GoodFriday Part 2 Nipples to the Skye Part 3
