hope for our most vulnerable English learners One of the guiding principles of effective English language teaching is for
educators to know their students And that in a nutshell captures the value of this book The compassion that Custodio and O
Loughlin feel for our SIFE students the commitment they have to educating them well and the comprehension they have of
the assets these learners bring to the classroom are evident in the writing tools and vignettes they share Deborah J Short
Under the best of circumstances the academic demands of today s classrooms can be daunting to our English learners But for
the tens of thousands of newly arrived students with interrupted formal education even the social challenges can be outright
overwhelming Rely on this all in one guide from Brenda Custodio and Judith O Loughlin for expert insight on how to build the
skills these students need for success in school and beyond Inside you ll find Essential background on factors leading to
interrupted education Specific focus on refugee children and Latino immigrants Guidance on building internal resilience for
long term social and emotional health Recommendations for creating supportive environments at the classroom school and
district level About one thing Brenda and Judith are absolutely convinced our SIFE students can learn and make progress
often at a remarkable speed But it s up to us their educators to provide the time attention and a specific focus Consider this
