This is a story of a spiritual journey that encompasses over sixty years A most mysterious and unpredictable teacher assists in guiding the way The story begins with the questioning mind of young Lane Ford gradually awakening to the reality of a substantial difference between the religions of his parents As this issue is never firmly addressed Lane s childhood and adolescent years include almost equal exposure to the Jewish and the Southern Baptist paths to God The early religious contrast sets the stage for Lane s processing of all beliefs throughout his life His story becomes not only a spiritual search but also a real mystery a religious commentary a biblical commentary a social commentary and an attempt to unify science with religion To sum up this is the story about a search for reality **How I Found the Urantia Book** Saskia Praamsma-Raevouri, 1998-08 **Truths about Evil, Sin, and the Demonic** Byron Belitsos, 2023-04-18

The Problem of Evil and the Predicament of Theodicy As Christians or theists we are moved to share the truth of God s love for

humankind But how can we speak of such providential care in a world rife with crime war racism genocide and even ecocide In response to this predicament a theodicy proposes a rational defense of God s goodness that offers consolation to victims and hope to all believers Truths about Evil Sin and the Demonic provides a sweeping history of the discipline of theodicy that focuses on its strategic turning points and its possible future Belitsos argues that because of the atrocities of the last century and the threat of horrendous evils in the coming century we need to marshal the most explanatory elements of all previous theodicies and then drive toward an integrative model based on a creative synthesis The author also turns to a modern revelatory source that supports his argument for such a meta theodicy He concludes by critically engaging with this source and the entire tradition in his call for an apophatically informed integral theodicy
