The War An Intimate History 1941 1945

Geoffrey C. Ward, Ken Burns

The War An Intimate History 1941 1945:

The War Geoffrey C. Ward, Ken Burns, 2020-02-04 The vivid voices that speak from these pages are not those of historians or scholars They are the voices of ordinary men and women who experienced and helped to win the most devastating war in history in which between 50 and 60 million lives were lost Focusing on the citizens of four towns Luverne Minnesota Sacramento California Waterbury Connecticut Mobile Alabama The War follows more than forty people from 1941 to 1945 Woven largely from their memories the compelling unflinching narrative unfolds month by bloody month with the outcome always in doubt All the iconic events are here from Pearl Harbor to the liberation of the concentration camps but we also move among prisoners of war and Japanese American internees defense workers and schoolchildren and families who struggled simply to stay together while their men were shipped off to Europe the Pacific and North Africa Enriched by maps and hundreds of photographs including many never published before this is an intimate profoundly affecting chronicle of the war that shaped our world From the Hardcover edition

The War Geoffrey C. Ward, Ken Burns, 2007-09-11 The vivid voices that speak from these pages are not those of historians or scholars They are the voices of ordinary men and women who experienced and helped to win the most devastating war in history in which between 50 and 60 million lives were lost Focusing on the citizens of four towns Luverne Minnesota Sacramento California Waterbury Connecticut Mobile Alabama The War follows more than forty people from 1941 to 1945 Woven largely from their memories the compelling unflinching narrative unfolds month by bloody month with the outcome always in doubt All the iconic events are here from Pearl Harbor to the liberation of the concentration camps but we also move among prisoners of war and Japanese American internees defense workers and schoolchildren and families who struggled simply to stay together while their men were shipped off to Europe the Pacific and North Africa Enriched by maps and hundreds of photographs including many never published before this is an intimate profoundly affecting chronicle of the war that shaped our world

The War Geoffrey C. Ward, Ken Burns, 2010-11-02 The vivid voices that speak from these pages are not those of historians or scholars They are the voices of ordinary men and women who experienced and helped to win the most devastating war in history in which between 50 and 60 million lives were lost Focusing on the citizens of four towns Luverne Minnesota Sacramento California Waterbury Connecticut Mobile Alabama The War follows more than forty people from 1941 to 1945 Woven largely from their memories the compelling unflinching narrative unfolds month by bloody month with the outcome always in doubt All the iconic events are here from Pearl Harbor to the liberation of the concentration camps but we also move among prisoners of war and Japanese American internees defense workers and schoolchildren and families who struggled simply to stay together while their men were shipped off to Europe the Pacific and North Africa Enriched by maps and hundreds of photographs including many never published before this is an intimate profoundly affecting chronicle of the war that shaped our world

Of War and Men Ralph LaRossa, 2011-07-15 Fathers in the 1950s tend to be portrayed as wise and genial pipe smokers or distant

emotionless patriarchs To uncover the real story of fatherhood during the 1950s LaRossa takes the long view revealing the myriad ways that World War II and its aftermath shaped men **World War II Weapons** Arnold Ringstad,2015-08-01 This title examines the major weapons used during World War II focusing on their development strategy and tactics and their effect on the course of the war Compelling narrative text and well chosen historical photographs and primary sources make this book perfect for report writing Features include a glossary a selected bibliography websites source notes and an index plus a timeline and essential facts Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO **The United States Coast Guard in World War II** Thomas P. Ostrom,2009-08-11 At home and overseas the United States Coast Guard served a variety of vital functions in World War II providing service that has been too little recognized in histories of the war Teaming up with other international forces the Coast Guard provided crewmembers for Navy and Army vessels as well as its own carried troops food and military supplies overseas and landed Marine and Army units on distant and dangerous shores This thorough history details those and other important missions which included combat engagement with submarines and kamikaze planes and typhoons On the home front port security missions involving search and rescue fire fighting explosives espionage and sabotage presented their own unique dangers and challenges *Snow & Steel* Peter Caddick-Adams,2015 A new assessment of the Battle of the Bulge the largest and bloodiest battle fought by U S forces in World War II offers a balanced perspective that considers both the German and American viewpoints and discusses the failings of intelligence Hitler s strategic grasp effects of weather and influence of terrain and differences in weaponry understanding of aerial warfare and doctrine **World War II: The Pacific** David Horner,2010-01-15 Examines the action in the Pacific theater of World War II focusing on the confrontation between the United States and Japan The Great Depression and World War II Rodney P. Carlisle,2009 Changing International affairs and the forces of technological innovation shaped the lives of Americans in the last decades of the 20th century While the end of the Cold War and the collapse of the Soviet Union gave rise to hopes of peaceful international relations the Gulf War and the attacks of September 11 2001 on the World Trade Center in New York shattered these aspirations In the social sphere cell phones CDs and the Internet completely transformed the ways by which people communicated and conveyed information The election of an African American man to the presidency marked the successful continuation of the struggle for equal civil rights bolstering America s reputation as a radically changing place in this contemporary period **Surface and Destroy** Michael Sturma,2011-03-25 World War II submariners rarely experienced anything as exhilarating or horrifying as the surface gun attack Between the ocean floor and the rolling whitecaps above submarines patrolled a dark abyss in a fusion of silence shadows and steel firing around eleven thousand torpedoes sinking Japanese men of war and more than one thousand merchant ships But the anonymity and simplicity of the stealthy torpedo attack hid the savagery of warfare a stark difference from the brutality of the surface gun maneuver As the submarine shot

through the surface of the water confined sailors scrambled through the hatches armed with large caliber guns and met the enemy face to face Surface and Destroy The Submarine Gun War in the Pacific reveals the nature of submarine warfare in the Pacific Ocean during World War II and investigates the challenges of facing the enemy on the surface The surface battle amplified the realities of war bringing submariners into close contact with survivors and potential prisoners of war As Japan s larger ships disappeared from the Pacific theater American submarines turned their attention to smaller craft such as patrol boats schooners sampans and junks Some officers refused to attack enemy vessels of questionable value while others attacked reluctantly and tried to minimize casualties Michael Sturma focuses on the submariners reactions and attitudes toward their victims exploring the sailors personal standards of morality and their ability to wage total war Surface and Destroy is a thorough analysis of the submariner experience and the effects of surface attacks on the war in the Pacific offering a compelling study of the battles that became intolerably personal

A Small Town'S Contribution Randall M Dewitt,2014-03-26 To Serve Is To Honor To honor ones country To honor ones family To honor ones fellow man and to honor ones faith These are the qualities of the people represented in this work A Small Towns Contribution was written to pay tribute to The Greatest Generation whose willingness to put themselves in harms way and to sacrifice themselves for the benefit of others paved the way for the rest of us to enjoy the freedoms we do The citizens of Platte South Dakota served honorably alongside their brethren and deserve to be remembered These pages reflect a sampling of stories from Platte residents who served in the Armed Forces during World War II

An Abridged History of the United States Volume II Bob Navarro,2019-12-27 The period from the end of the Civil War to the end of WWII was a dramatic one for the United States It grew from a war torn society to emerge as the most powerful nation on earth at the end of WWII

Getting Through Robert N. Taylor,2013-11-27 Getting Through is the story of an ordinary undistinguished retired aeronautical engineer who recounts his experiences from late childhood through an idyllic adolescence a mediocre public school education a thwarted flying career a bitching time in the Air Force a second tier now defunct engineering college a marriage that went bad and a career of underlying discontent with a few failures and some successes Included are his fathers life recollections and the authors thoughts on philosophy religion nature and nurture warfare and the meaning of life ending with accumulations of lifes journey things done places been best books read and the distance traveled on planet Earth Getting Through replete with wit wisdom and ignorance tells us that no life is ever ordinary and that everyones story is worth telling

From Coveralls to Zoot Suits Elizabeth R. Escobedo,2013-03-21 During World War II unprecedented employment avenues opened up for women and minorities in U S defense industries at the same time that massive population shifts and the war challenged Americans to rethink notions of race At this extraordinary historical moment Mexican American women found new means to exercise control over their lives in the home workplace and nation In From Coveralls to Zoot Suits Elizabeth R Escobedo explores how as war workers and volunteers dance hostesses and zoot suiters respectable young ladies and rebellious

daughters these young women used wartime conditions to serve the United States in its time of need and to pursue their own desires But even after the war as Escobedo shows Mexican American women had to continue challenging workplace inequities and confronting family and communal resistance to their broadening public presence Highlighting seldom heard voices of the Greatest Generation Escobedo examines these contradictions within Mexican families and their communities exploring the impact of youth culture outside employment and family relations on the lives of women whose home front experiences and everyday life choices would fundamentally alter the history of a generation **The Red Rebel of San**

Giovanni T. Giles Campbell,2023-01-30 From a battered old trunk in the basement to the crumpled scrapbook in the bookcase to an aging envelope in an unused jewelry box they marched to the pages of this book to join the chorus to remember Telegrams letters taped interviews and voices from decades ago joined in to provide a chilling description of World War II Red was a Red Cross lady her brother lost in the confusion of war Some were courageous soldiers others became prominent heroes The author weaves common lives and historic events into an emotional explanation of what war was like for everyday Americans By Colonel Ronald Losee US Marines Ret Retired Marine Colonel Ron Losee is a graduate of the University of Illinois School of Journalism His 31 year career took him to the Far East from Korea to South Vietnam and many places in between Later as a Marine Reservist when on vacation found him as a newspaper city editor I thoroughly enjoyed reading this book This is a story about typical American families and their neighborhood friends during WWII It brings a different perspective of not only the war front but stateside life during the war By Colonel Tony Baggiano USAF Ret He served 20 years in the United States Air Force and his last Air Force assignment was the Commander of the San Antonio Data Services He was awarded numerous medals which included Vietnam Service Medal with four bronze stars The best way to teach history is to tell a story and that s what this book does This is not your normal war book as it tells a story about friends and neighbors fighting in WWII and their families at home It tells a different story about the War to End all Wars By Lieutenant Colonel James O Donnell USA Ret Infantry combat commander from Company to Battalion and to Army level and a Distinguished member of the 16th Infantry Regiment This memoir is a collection of WWII narratives about five heroic people whose wartime stories are connected From Richmond Virginia are Harriet Vaden her brother Pfc Herbert Herbie Vaden Jr 1st Lt Jimmie Monteith and 1st Lt Richard Dick Williams and from Emmons Minnesota TSgt Donald Singlestad Herbie and Donald end up in the 5th Army fighting in Italy during the invasion of Salerno and many battles afterwards Donald Singlestad later became the most decorated soldier of the 34th Infantry Division Harriet joins the Red Cross after her younger brother Herbie enlisted and she is assigned to the 454th Bomb Group in San Giovanni and Cerignola Italy When Herbie becomes MIA and severely wounded Harriet travels across war torn Italy to find him Meanwhile Richard Williams a friend of the Vadens was a bombardier with the 454th Bomb Group and becomes a prisoner of war in Romania Included are the stories of Jimmy Monteith a neighbor of the Vadens in Richmond who is assigned to the 16th Infantry of the 7th Army and

earns the Medal of Honor during the Normandy invasion Family photographs V mails and other memorabilia help tell the story of these incredible heroes as they face the perils of war The wartime experiences affected each of them in many ways both good and bad As they survived each experience their reasons for serving changed in many ways and when they returned home they had to re build their lives physically and emotionally if they were to achieve happy lives again Their stories mostly in their own words are long overdue

World War II on Film David Lührssen,2020-11-09 World War II on Film examines the war through the lens of 12 films The movies selected include productions made during World War II and in each succeeding decade providing a sense of how different generations perceive the war World War II on Film provides a succinct yet well grounded appraisal of that war as seen through 12 representative films The book separates fact from fiction showing where the movies were accurate and where they departed from reality and places them in the larger context of historical and social events Each movie chosen represents a particular aspect of the conflict including the air war over Europe the condition of prisoners of war Nazi atrocities and the British evacuation at Dunkirk Unlike most histories of Hollywood during World War II or the genre of war movies World War II on Film examines in depth the relation between the depictions of events beliefs attitudes and ways of life as seen on film with reality as documented by historians or recorded by journalists or eyewitnesses to the war The volume will appeal to high school and college readers as well as general interest readers and film buffs

The Western European and Mediterranean Theaters in World War II Donal Sexton,2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian

The Oxford Illustrated History of World War Two Richard Overly,2015-04-09 World War Two was the most devastating conflict in recorded human history It was both global in extent and total in character It has understandably left a long and dark shadow across the decades Yet it is three generations since hostilities formally ended in 1945 and the conflict is now a lived memory for only a few And this growing distance in time has allowed historians to think differently about how to describe it how to explain its course and what subjects to focus on when considering the wartime experience For instance as

World War Two recedes ever further into the past even a question as apparently basic as when it began and ended becomes less certain Was it 1939 when the war in Europe began Or the summer of 1941 with the beginning of Hitler s war against the Soviet Union Or did it become truly global only when the Japanese brought the USA into the war at the end of 1941 And what of the long conflict in East Asia beginning with the Japanese aggression in China in the early 1930s and only ending with the triumph of the Chinese Communists in 1949 In *The Oxford Illustrated History of World War Two* a team of leading historians re assesses the conflict for a new generation exploring the course of the war not just in terms of the Allied response but also from the viewpoint of the Axis aggressor states Under Richard Overy s expert editorial guidance the contributions take us from the genesis of war through the action in the major theatres of conflict by land sea and air to assessments of fighting power and military and technical innovation the economics of total war the culture and propaganda of war and the experience of war and genocide for both combatants and civilians concluding with an account of the transition from World War to Cold War in the late 1940s Together they provide a stimulating and thought provoking new interpretation of one of the most terrible and fascinating episodes in world history

God and Uncle Sam Michael Francis Snape, 2015 America s armed forces were the products of one of the most diverse and dynamic religious cultures in the western world and were the largest ever to be raised by a professedly religious society Despite constitutional constraints a pre war religious depression and the myriad pitfalls of war religion played a crucial role in helping more than sixteen million uniformed Americans through the ordeal of World War II a fact that had profound and far reaching implications for the religious development of post war America Provided by publisher

The New Yorker , 2007

Thank you very much for downloading **The War An Intimate History 1941 1945**. As you may know, people have search hundreds times for their chosen readings like this The War An Intimate History 1941 1945, but end up in infectious downloads.
