Lord Bishop of Derry** Ezekiel Hopkins,1855 The Sunday-school World ,1892 *Thomas F. Torrance* Paul D. Molnar,2016-02-17 This book provides an important study of the theology of Thomas F Torrance who is generally considered to have been one of the most significant theologians writing in English during the twentieth century with a view toward showing how his theological method and all his major doctrinal views were shaped by his understanding of the doctrine of the Trinity Torrance pursued a theology that was realist because he attempted to think in accordance with the unique nature of the object that is known In holding to such a methodology he drew an analogy between theology and natural science This book demonstrates how for Torrance God relates with humanity within time and space so that creation finds its meaning in relation to God and not in itself this enabled him to avoid many theological pitfalls such as agnosticism subjectivism and dualism while explaining the positive implications of various Christian doctrines in a penetrating and compelling manner This book offers an important resource for students of theology and for scholars who are interested in seeing how serious dogmatic theology shapes and should shape our understanding of the Christian life *A Commentary upon the Holy Bible, from Henry and Scott; with occasional observations and notes from other authors. [Edited and compiled by George Stokes.]* Matthew Henry,1832

Circular ,1868 **The Inclusive Bible** Priests for Equality,2009-03-16 While this new Bible is certainly an inclusive language translation it is much more it is a re imagining of the scriptures and our relationship to them Not merely replacing male pronouns the translators have rethought what kind of language has built barriers between the text and its readers Seeking to be faithful to the original languages they have sought new and non sexist ways to express the same ancient truths The Inclusive Bible is a fresh dynamic translation into modern English carefully crafted to let the power and poetry of the language shine forth particularly when read aloud giving it an immediacy and intimacy rarely found in traditional translations of the Bible The Inclusive Bible contains both the Old and the New Testaments **Clean of Heart** Rosemarie Scott,2006 Clean of Heart is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes Clean of Heart different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics Clean of Heart consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second Clean of Heart is a surprisingly chaste book It contains no obscenities or explicit

testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins
