The Wicca Cookbook Jamie Wood,Tara Seefeldt,1999-08-01 For Wiccans spirituality has always been a part of food preparation According to the Wiccan religion the eight sabbats cycle through the year like seasons and each is celebrated with traditional foods herbs and the ritual invocation of Divine power The recipes in The Wicca Cookbook are divided into sections for each of these nature based festivals Preceding nearly every recipe is a discussion of its spiritual meaning the therapeutic value of its ingredients and a spell or ritual that can be performed along with the food preparation Many of the recipes contain flowers and herbs having special meaning to the Wiccan religion These earthy ingredients possess unique characteristics that not only enhance the flavor but also add a sacred quality that imparts the Divine to every dish Whether they make Rose Petal Jam
