Tithing Giving And Prosperity:

Tithing Giving and Prosperity Roy B. Blizzard, 2013-04-15 In this 58 page book Dr Roy B Blizzard explains the ancient origins of tithing giving and prosperity from the historical and biblical perspective He brings to light the laws and customs of tithing throughout history through to present day Dr Blizzard clears up many misperceptions that the acquisition of material possessions equals prosperity that one must give in order to receive that tithing is a requirement of modern day Christianity His study reveals that tithing was strictly a Jewish practice its basic purpose was as an act of charity tzedakah to support the poor and those in need it was not practiced outside the land of Israel after the destruction of the Temple the practice of tithing ceased in Judaism although acts of charity continued as a replacement for the sacrifices of the Temple and more Citing multiple scholarly works in Hebrew Greek and English Dr Blizzard builds the case for attaining biblical prosperity free of coercion Prosperity means to be safe to be secure to be at ease or rest it means to have peace to have shalom to be whole to be complete a wholeness and completeness through God who lives and dwells within Once one understands what real prosperity is it becomes of much more value than the mere accumulation of material possessions Real prosperity is Life Life with God and in God Length 12 600 words

Kwabena Asamoah-Gyadu,2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal churches and their

media programs An example of this is that on account of its motivational hermeneutics the Eagle rather than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is reshaping African Christian spirituality in the 21st century **Handbook of Research on the Impact of Culture in Conflict**

Prevention and Peacebuilding Essien, Essien,2020-03-20 The contemporary conflict scenarios are beyond the reach of standardized approaches to conflict resolution Given the curious datum that culture is implicated in nearly every conflict in the world culture can also be an important aspect of efforts to transform destructive conflicts into more constructive social processes Yet what culture is and how culture matters in conflict scenarios is contested and regrettably unexplored The Handbook of Research on the Impact of Culture in Conflict Prevention and Peacebuilding is a critical publication that examines cultural differences in conflict resolution based on various aspects of culture such as morals traditions and laws Highlighting a wide range of topics such as criminal justice politics and technological development this book is essential for educators social scientists sociologists political leaders government officials academicians conflict resolution practitioners world peace organizations researchers and students **SWAYED BY DECEPTION** Philip Smith,2023-08-29 Though the

title of this book may sound ominous or foreboding it should not to be feared or avoided The content is meant to benefit every follower of Jesus the Savior Whether you belong to a particular denomination or nondenominational church you will benefit from the information in this book bringing to light the many false teachings within the worldwide church It is written in simple layman language for any Christian to comprehend Jesus said Beware of false prophets His warning directly pertains to spiritual deception a matter of eternal consequence Yet if we don't discern the Bible's truth and knowledge from the heart of God we risk spiritual deception If you think you couldn't possibly be deceived in such manner this book is especially for you The nature of one's own deception is in not knowing they are deceived **The Other Side of the Cross** Harold D.

Dunckel,2019-02-15 If you know God but seem to lack His power and strength elementary things could be getting in the way Jesus in His teaching spoke of this Men do not put new wine into old wineskins otherwise the wineskins burst Matt 9 16 17 Learn what these elementary things are and how they hinder your life with God See how they can be removed and replaced with better things Know the depth and richness of the born again stage Know how it feels to live in the overcoming stage Enjoy life in the ruling stage Be crowned with life in the heavenly stage The Oxford History of Protestant Dissenting

Traditions, Volume IV Jehu J. Hanciles,2019-03-07 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and royal supremacy but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for

the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent ecclesiastical organizations Volume IV examines the globalization of dissenting traditions in the twentieth century During this period Protestant Dissent achieved not only its widest geographical reach but also the greatest genealogical distance from its point of origin Covering Africa Asia the Middle East America Europe Latin America and the Pacific this collection provides detailed examination of Protestant Dissent as a globalizing movement Contributors probe the radical shifts and complex reconstruction that took place as dissenting traditions encountered diverse cultures and took root in a multitude of contexts many of which were experiencing major historical change at the same time This authoritative overview unambiguously reveals that Dissent was transformed as it travelled
