To Do Justice A Guide For Progressive Christians:

To Do Justice Rebecca Todd Peters, Elizabeth L. Hinson-Hasty, 2008-01-01 Encouraging Christians to call for public policies that benefit those most vulnerable in our nation *To Do Justice* offers tools for studying complex domestic social problems such as Social Security immigration the environment and public education and serves as a guidebook to becoming involved in social action Rooted in Christian tradition each essay analyzes a contemporary problem from social biblical and theological perspectives before providing directions for public policy These engaged ethicists from across the mainline denominations provide concrete examples of how progressive minded Christians can work for justice in response to these moral dilemmas With discussion questions in each chapter this book is an excellent resource for classrooms both in colleges and in churches *To Do Justice*, 2008 *Faith, Feminism, and Scholarship* M. Harris, K. Ott, 2011-12-19 A multi cultural collection of third wave feminist voices this book reveals how current feminist religious scholars from around the world are integrating social justice and activism into their scholarship and pedagogy **Schleiermacher's Influences on American Thought and Religious Life, 1835-1920** Jeffrey A. Wilcox, Terrence N. Tice, Catherine L. Kelsey, 2014-10-23 Here freshly researched unprecedented stories regarding modern American thought and religious life show how the scholar Friedrich Schleiermacher 1768 1834 provides ongoing influence still They describe his influence on universal rights American religious life theology philosophy history psychology interpretation of texts community formation and interpersonal dialogue Schleiermacher is an Einstein like innovator in all these areas and more This work contrasts chiefly evangelical liberal figures with others between circa 1835 and the 1920s It also looks ahead to several careers extended well into the twentieth century and offers numerous characterizations of Schleiermacher's thought In six tightly organized parts fourteen expert historians chronologically discuss the following 1 Methodist leaders 1766 1924 2 Stuart Bushnell Nevins and Hodge 3 Restorationists Transcendentalists women leaders Schaff and Rauschenbusch 4 Clarke Mullins Carus and Bowne 5 Dewey Royce Ames Knudson Brown Fosdick Cross Jones and Thurman within contemporary contexts Unexpectedly John Dewey lies at the epicenter of the narrative and Harry Emerson Fosdick and Howard Thurman bring it to its climax Recently evidence displays a broadening influence advancing rapidly The sixth part of the book surveys modern historiography Schleiermacher on history and comparative method and on psychology as a basic scientific and philosophical field That section also provides a critical survey of histories of modern theology and offers concluding questions and answers The three editors contribute twenty of the thirty one chapters *Faith, Hope, Love, and Justice* Anselm K. Min, 2018-03-28 Faith hope and love traditionally called theological virtues are central to Christianity This book renews faith hope and love in the context of the many contemporary challenges in many unique ways It is an ecumenical collection of papers equally divided between Catholic and Protestant positions that seek to radically renew the classical doctrine of faith hope and love and argues for their essential connection to the praxis of justice It contains eight different approaches each represented by a distinguished

theologian and addressing different aspects of the issues and followed by insightful and critical responses It does not merely seek to renew the theological virtues but to also reconstruct them in the demanding context of justice and the contemporary world nor is it simply a treatise on justice but a theoretical and practical reflection on justice as vital expressions of faith in God hope in God and love of God A non dogmatic and non ideological approach it accommodates both conservative and liberal positions and avoids the separation of the theological virtues from the demands of the contemporary world as well as the separation of justice talk from the theological context of faith hope and love It seeks above all to renew not merely repeat the classical doctrine of faith hope and love in the contemporary context of the urgency of justice and to do so ecumenically comprehensively and from a variety of perspectives and aspects

In Defense of Civility James Calvin Davis,2010-09-21
From the big four abortion homosexuality euthanasia and stem cell research to war poverty and the environment this timely book considers religion s impact on moral debates in America s past and present James Calvin Davis argues for religion s potential to enrich both the content and the civility of public conversation This book will interest all concerned citizens yearning for more careful thinking about the role of religion in public debate

A Companion to Doing Ethics Alan A. Preti,Timothy A. Weidel,2025-07-25

A Theology of Justice in Exodus Nathan Bills,2021-03-03

This book traces the theme of justice throughout the narrative of Exodus in order to explicate how yhwh's reclamation of Israel for service worship reveals a distinct theological ethic of justice grounded in yhwh's character and Israel's calling within yhwh's creational agenda. Adopting a synchronic text immanent interpretive strategy that focuses on canonical and inner biblical connections, Nathan Bills identifies two overlapping motifs that illuminate the theme of justice in Exodus. First, Bills considers the importance of Israel's creation traditions for grounding Exodus's theology of justice. Reading Exodus against the backdrop of creation theology and as a continuation of the plot of Genesis, Bills shows that the ethical disposition of justice imprinted on Israel in Exodus is an application of yhwh's creational agenda of justice. Second, Bills identifies an educational agenda woven throughout the text. The narrative gives heightened attention to the way yhwh catechizes Israel in what it means to be the particular beneficiary and creational emissary of yhwh's justice. These interpretative lenses of creation theology and pedagogy help to explain why Israel's salvation and shaping embody a programmatic applicability of yhwh's justice for the wider world. This volume will be of substantial interest to divinity students and religious professionals interested in the themes of Exodus, exile, and return.

[Missional Fidelity of MoveIn](#) Micah Kim, 2023-03-06 How can the church go beyond mere social services to having an incarnational evangelistic impact on unreached urban immigrants? This work explores how MoveIn, a global prayer movement of regular lay Christians, has become a model for how the church can authentically and radically share the gospel with unreached neighbors.

Introduction to Christian Ethics Ellen Ott Marshall, 2018-10-30 All Christians read the Bible differently, pray differently, value their traditions differently, and give different weight to individual and corporate judgment. These differences are the basis of conflict. The question Christian ethics must answer, then, is: What does the good life look like in the context of conflict? In this new introductory text, Ellen Ott Marshall uses the inevitable reality of difference to center and organize her exploration of the system of Christian morality. What can we learn from Jesus' creative use of conflict in situations that were especially attuned to questions of power? What does the image of God look like when we are trying to recognize the divine image within those with whom we are in conflict? How can we better explore and understand the complicated work of reconciliation and justice? This innovative approach to Christian ethics will benefit a new generation of students who wish to engage the perennial questions of what constitutes a faithful Christian life and a just society.

[Taking It to the Streets](#) Jennifer Baldwin, 2018-12-18 [Taking It to the Streets](#) Public Theologies of Activism and Resistance is an edited volume that explores the critical intersection of public theology, political theology, and communal practices of activism and political resistance. This volume functions as a sister companion to the text [Religion and Science as Political Theology](#), [Navigating Post Truth and Alternative Facts](#), and focuses on public, civic, performative action as a response to experiences of injustice and diminishment of humanity. There are periods in a nation's civil history when the tides of social unrest rise into waves upon waves of public activism and resistance of the dominant uses of power. In American history, activism and public action, including and extending beyond the Women's Suffrage, the Million

Man March protests against the Vietnam War the Civil Rights Movement Boston Tea Party Black Lives Matter the Stonewall Rebellion are hallmarks of transitional or liminal moments in our development as a society Critical periods marked by increases in public activism and political resistance are opportunities for a society to once again decide who we will be as a people Will we move towards a more perfect union in which all persons gain freedom in fulfilling their potential or will we choose the perceived safety of the status quo and established norms of power Whose voices will be heard Whose will be silenced through intimidation or harm Ultimately these are theological questions Like other forms of non textual research subjects movement dance performance art public activism requires a set of research lenses that are often neglected in theological and religious studies Attention to bodies as a category performance or epistemological vehicle is sorely lacking so it is no wonder that attention to the mass of moving bodies in activism is largely absent Activism and public political resistance are a hallmark of our current social webbing and deserve scholarly attention

Solidarity Ethics Rebecca Todd Peters,2014-01-01 Rebecca Todd Peters argues for an ethic of solidarity as a new model for how people of faith in the first world can live with integrity in the midst of global injustice and shape a more just future Solidarity Ethics seeks to address the economic and social structures of our globalized context Peters argues for a concrete ethics rooted in the Christian tradition of justice and transformation deeply informed by solidarity and relationality Utilizing these theologically rich resources an ethics of relational reflection action and construction is provided as an avenue for building viable strategies for social transformation

Journal of the Society of Christian Ethics ,2008

The Limits of Forgiveness Maria Mayo,2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely

Preaching God's Transforming Justice Ronald J. Allen,Dale P. Andrews,Dawn Ottoni-Wilhelm,2013-01-01 This is the final volume in a unique new commentary series that helps the preacher identify and reflect on the social implications of the biblical readings in the Revised Common Lectionary The essays concentrate on the themes of social justice in the weekly texts and how those themes can be teachable moments for preaching social justice in the church In addition to the lectionary days there are essays for twenty two Holy Days of Justice including Martin Luther King Day Earth Day World AIDS Day and Children s Sabbath These days are intended to enlarge the church s awareness of God s call for justice and of the many ways that call comes to the church and world today

Connections: A Lectionary Commentary for Preaching and Worship Joel B. Green,Thomas G. Long,Luke A. Powery,Cynthia L. Rigby,Carolyn J. Sharp,2020-04-14 Designed to empower preachers as they lead congregations to connect their lives to Scripture Connections

features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship Connections is published in partnership with Austin Presbyterian Theological Seminary

The Political Crisis and Christian Ethics Ronald H. Stone, 2023-09-26 The Political Crisis and Christian Ethics addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president s followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr s writing on politics and in Barack Obama s use of the theologian s thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich s critique of John Foster Dulles work and in the author s critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead s philosophy of education and religion and a vision of the good president In summary The Political Crisis and Christian Ethics is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy

One Faith No Longer George Yancey, Ashlee Quosigk, 2021-07-06 Irreconcilable differences drive the division between progressive and conservative Christians is there a divorce coming Much attention has been paid to political polarization in America but far less to the growing schism between progressive and conservative Christians In this groundbreaking new book George Yancey and Ashlee Quosigk offer the provocative contention that progressive and conservative Christianities have diverged so much in their core values that they ought to be thought of as two separate religions The authors draw on both quantitative data and interviews to uncover how progressive and conservative Christians determine with whom they align themselves religiously and how they distinguish themselves from each other They find that progressive Christians emphasize political agreement relating to social justice issues as they determine who is part of their in group and focus less on theological agreement Among conservative Christians on the other hand the major concern is whether one agrees with them on core theological points Progressive and conservative Christians thus use entirely different factors in determining their social identity and moral values In a time when religion and politics have never seemed so intertwined One Faith No Longer offers a timely and compelling reframing of an age old conflict

Dear White Christians Jennifer Harvey, 2020-07-14 If reconciliation is the takeaway point for the civil rights story we usually tell then the takeaway point for the more complex more truthful civil rights story contained in Dear White Christians is reparations from the preface to the second edition With the troubling and painful events of the last several years from the killing of numerous unarmed

Black men and women at the hands of police to the rallying of white supremacists in Charlottesville it is clearer than ever that the reconciliation paradigm long favored by white Christians has failed to heal the deep racial wounds in the church and American society In this provocative book originally published in 2014 Jennifer Harvey argues for a radical shift away from the well meaning but feeble longing for reconciliation toward a robustly biblical call for reparations Now in its second edition with a new preface addressing the explosive changes in American culture and politics since 2014 as well as an appendix that explores what a reparations paradigm can actually look like Dear White Christians calls justice committed Christians to do the gospel inspired work of opposing racist social structures around them Harvey s message is historically and scripturally rooted making it ideal for facilitating the difficult but important discussions about race that are so desperately needed in churches and faith centered classrooms across the country

Introducing Catholic Social Thought J. Milburn Thompson, 2015-02-26 Introduces Catholic social teaching of the twenty first century and includes encyclicals of Benedict XVI

The Captivating Realm of E-book Books: A Comprehensive Guide Unveiling the Advantages of Kindle Books: A Realm of Ease and Flexibility E-book books, with their inherent mobility and simplicity of access, have freed readers from the constraints of hardcopy books. Gone are the days of lugging bulky novels or carefully searching for specific titles in bookstores. Kindle devices, sleek and lightweight, effortlessly store an extensive library of books, allowing readers to immerse in their favorite reads anytime, everywhere. Whether commuting on a bustling train, relaxing on a sun-kissed beach, or simply cozying up in bed, Kindle books provide an exceptional level of ease. A Literary Universe Unfolded: Exploring the Vast Array of E-book To Do Justice A Guide For Progressive Christians To Do Justice A Guide For Progressive Christians The Kindle Store, a virtual treasure trove of bookish gems, boasts an extensive collection of books spanning varied genres, catering to every reader's preference and choice. From gripping fiction and mind-stimulating non-fiction to timeless classics and contemporary bestsellers, the Kindle Shop offers an exceptional abundance of titles to explore. Whether looking for escape through engrossing tales of fantasy and exploration, diving into the depths of historical narratives, or broadening one's knowledge with insightful works of scientific and philosophical, the E-book Shop provides a doorway to a literary world brimming with limitless possibilities.
