Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also

accessible to church leaders and laypeople **God's Hole-In-One and Other Miracles** John Corfield,2019-01-16 God's Hole in One and Other Miracles is a book about the Lord's miraculous workings in the life of one ordinary Christian The book begins with an unusual event which happened a few months after the author found faith in Jesus Christ as his personal Savior and Lord He already had a series of miracles which led him to his knees in thanking God for his redemption Therefore he really didn't need the unusual event to confirm his faith However the irrefutable event listed first in this book it is hoped should most assuredly be found compelling The rest of the book details a series of miracles in the author's Christian life of forty three years They include healings lifesavers a calling and a few wonderful discoveries The original purpose of the book was to encourage Christians of all denominational nondenominational and independent churches to not be afraid to share their personal miracles with others Many today are intimidated to keep those events to themselves However we live in an age where biblical doctrine has been watered down to such an extent that many don't really know what to believe any longer God's Hole in One has also an evangelistic mission Every person alive could have a personal relationship with Jesus Christ if they only knew the truth of who Jesus is He had a mission to offer himself as the sacrificial lamb that would take away the sins of the world as well as its penalty An explanation of Christ's finished work on the cross and what it means is woven throughout the chapters He has made an offer to all of us to live with Him forever but few today seem to understand what that means The miracles presented in this book should encourage all who read it to seriously consider the claims of Christ As he said You will know the truth and the truth will set you free John 8:32 His truth is so easy to see that even a child can understand it He who has it will be free indeed John 8:36 The journey of miracles of this ordinary Christian many against very high odds was the Lord's doing and it is finally time to share it with all who will listen John has been presenting his message The Importance of Miracles in a Christian's Life to churches in Arizona It's not about the book it's a message of encouragement for all Christians in these chaotic times If anyone would like to have John present his message to their church Christian school adult Sunday school class Bible study or any other Christian group please contact John at godsholeinone@gmail.com

Miracle Of The Twelve The Apostles Share Their Testimonies Donna Phillips,2018-09-10 No one but Jesus would entrust His Twelve to go into the entire world to reveal the good news of the Kingdom of Heaven What a high calling and what a mixture of culture background schooling and beliefs there were among these men a tax collector fishermen an assassin seekers of truth all in one close knit group who were together twenty four hours a day and seven days a week It could not have been easy but little by little they bonded into a united flock as they listened to Him and followed their Shepherd every day witnessing miracles too numerous to count Their vision was transforming them to embrace their future and those who distrusted each other became friends and those who were hesitant were drawn in In this Bible based fictional account we watch as these men walk with Jesus and see the miraculous every day Yet there were also various obstacles to pierce and prod them and their tempers flared and their hearts repented as they journeyed through the process of becoming united into one heart and one mind for the Kingdom of Heaven Gradually His Word of Life became the very core of their character and their dedication commitment and fiery love for the Kingdom became a powerful force leaving behind them an eternal bold blaze of glory to shine for all eternity Not including Judas Iscariot Perhaps the transformation of the Twelve was His greatest miracle of all
