squinty eyes and not a very pleasant face but his companions seemed to regard him with much favor Perhaps it was because they were riding in his automobile Whoop her up Andy added the lad on the seat beside the driver This is immense I rather thought you d like it remarked Andy Foger as he turned the car to avoid a stone in the road I ll make things hum around Shopton You have made them hum already Andy commented the lad beside him My ears are ringing Wow There goes my cap As the boy spoke the breeze created by the speed at which the car was traveling lifted off his cap and sent it whirling to the rear Andy Foger turned for an instant s glance behind Then he opened the throttle still wider and exclaimed Let it go Sam We can get another I want to see what time I can make to Mansburg I want to break a record if I can Look out or you ll break something else cried a lad on the rear seat There s a fellow on a bicycle just ahead of us Take care Andy Let him look out for himself retorted Foger as he bent lower over the steering wheel for the car was now going at a terrific rate The youth on the bicycle was riding slowly along and did not see the approaching automobile until it was nearly upon him Then with a mean grin Andy Foger pressed the rubber bulb of the horn with sudden energy sending out a series of alarming blasts It s Tom Swift cried Sam Snedecker Look out or you ll run him down Let him keep out of my way retorted Andy savagely The youth on the wheel with a sudden spurt of speed tried to cross the highway He did manage to do it but by such a narrow margin that in very terror Andy Foger shut off the power jammed down the brakes and steered to one side So suddenly was he obliged to swerve over that the ponderous machine skidded and went into the ditch at the side of the road where it brought up tilting to one side Tom Swift his face rather pale from his narrow escape leaped from his bicycle and stood regarding the automobile As for the occupants of that machine from Andy Foger the owner to the three cronies who were riding with him they all looked very much astonished Are we is it damaged any Andy asked Sam Snedecker I hope not growled Andy If my car s hurt it s Tom Swift s fault He leaped from his seat and made a hurried inspection of the machine He found nothing the matter though it was more from good luck than good management Then Andy turned and looked savagely at Tom Swift The latter standing his wheel up against the fence walked forward What do you mean by getting in the way like that demanded Andy with a scowl
