

CELEBRATE POETRY & WAFFLES ON NATIONAL WAFFLE DAY, AUGUST 24—OR ANY DAY!

WAFFLES, WAFFLES, WAFFLES!

by Allan Wolf

From Birmingham to Baraboo
There is no better breakfast food.
Pass the maple syrup.
Give us waffles, waffles, waffles!

A waffle has a checkered face
To keep the butter in its place.
Pass the maple syrup.
Give us waffles, waffles, waffles!

Whenever we are in the mood
For pancakes with an attitude,
Pass the maple syrup.
Give us waffles, waffles, waffles!

Waffles A Of Poetry:

Waffles K. Kalyaan Davis, 2013-08 Waffles Why do we waffle over our ambitions Who makes us waffle when we desire to do better Why do we allow this to happen when we have so many skills abilities and talents As you walk through the pages of this intriguing book of poetry you will see through your mind s eye life s experiences trials and tribulations You will see and feel happiness joy and sorrow beginnings endings and in between Life s struggles emotions dreams and anxieties where will they take me where will they take you I was so inspired by my friends who experienced life shattering events My empathy is deep my compassion is undeniable and my help to them was a listening ear a hug prayers and poetry If I could help one person feel a little better through written word then that is what I always aimed to do I loved seeing their reaction and feel them relate to words personalized for them I saw their tears pain and frustration then I felt their joy I hope you enjoy the travels of life as you open your mind through poetry May the words contained within help you feel better no matter what you are going through The words I am sharing with you I have shared with those I love *Strawberry Waffles* S

Brooks, 2018-05-06 I would like to sincerely express all of the pictures I have mediated into the mastery of words Enjoy this book and the many more that will come bearing it s name in the form of other volumes I have considered myself to be a doctor of mental surgery I don t need to put you to sleep for this surgery I gently remove your skull as we sit chat and I cut through the tissue that has been getting in the way of your real brain and it s spiritual body which you may know as the mind Deep within I see the Damage it s very old and stale Yet it hasn t separated itself from yourself I grab it from out of your brain rinsing the old residue that remained I gently put your skull back on you haven t even noticed When I touch your hand you awaken like you have been sleep for many years We look into the depth of each other and we have linked ourselves to the divinity that has been broken between us We kiss and then kiss we did we miss in the mist of the kiss I can feel the very feeling of the bliss the moment has altered our place where we once stood and we appear to be in an environment that is shaping Immersed in Verse Allan Wolf, 2009 Contains advice ideas writing activities and encouragement from a working poet for aspiring poets Includes poems by a variety of poets from the unknown to the famous including Langston Hughes e e cummings Eve Merriam and more

The Complete Poems of Carl Sandburg Carl Sandburg, 1970 Presents the Pulitzer Prize winning collection of the complete poems of twentieth century American poet Carl Sandburg **So I Will Remember**

Julene Waffle, 2020-11 A chapbook of poems which the author describes as follows We are who we are because of the lives our ancestors lived the choices they made and the decisions the world made for them So I Will Remember captures the beauty and turbulence of the past and present in order to vividly populate a future for when memory fades A loving and widely applicable tribute to grandparents parents self and sons **The (Almost) Complete Hitchhiker in Time** Shawn M. Tomlinson, 2015-11-07 The Hitchhiker in Time columns were the single most popular things ever written by Shawn M Tomlinson which honestly doesn t say all that much All together they appeared in fewer than 10 newspapers between 1988

and 2001 Well multiple copies of those newspapers of course The highest circulation was approximately 40 000 so not exactly Bob Greene levels Still Tomlinson had a following with these columns and to a great extent they hold up well today Either that or Tomlinson would like to think so Many of these columns appeared in chapbooks over the years but this is the first full collection of them to be in print **The Poetic Avant-garde** Beret E. Strong,1997 The Poetic Avant Garde compares three avant garde groups active in the era between the world wars those surrounding Jorge Luis Borges W H Auden and Andre Breton These groups were composed of poets and writers who made use of the avant garde s characteristic modes of self expression the publication of small journals unorthodox attention getting tactics and interaction with the mainstream press However their differing aesthetic social and political agendas illustrate the surprisingly broad range of avant gardism in the interwar era Strong looks at the choices these three groups made when their radical goals collided with the forces of social and political change in the 1920s and 1930s highlighting the disparity between their rhetoric and their actual achievements The book focuses on the avant garde s struggle to reconcile contradictory imperatives a desire to be radically new while also finding an audience *Troubadour* ,1928 Writing at the Waffle House Jerry Judge,2008 Library of Congress Subject Headings Library of Congress,Library of Congress.
