Gotham Chopra, Deepak Chopra, 2010-10-05 If it wasn t for dogs some people would never go for a walk anonymous Gotham Chopra considers himself a pretty average guy He devours pizza lives and dies by his hometown teams and watches Kung Fu Panda with his son daily But his childhood wasn t quite so average Growing up Gotham was exposed to the deepest reservoirs of knowledge that his famous father Deepak could find his childhood was part spiritual part scientific and totally unique Now a newly minted father himself he s contemplating the influences he wants to draw on for his own son The first was no surprise his father The second was unexpected his dogs From Nicholas the blaze of energy and anarchy who turned the family upside down to Cleo a rescue mutt with food issues the Chopra dogs taught the family about curiosity and wisdom open mindedness and passion not to mention loyalty and pig s ears But what else Gotham wondered And how did these lessons compare to the ones that Deepak himself imparted Gotham would soon find out When his mother took an unexpected trip to India and leaves instructions to look after Papa father and son have an opportunity for male bonding on a big scale That this bonding takes place on their daily walks seems almost natural After all Gotham also had in his care a nervous dog and an exuberant toddler both with an insatiable need for exercise and exploration So Gotham and Deepak walk and talk discussing the laughs and licks that come with having a dog along with the contradictions complexities and consequences of having children They soon realize the qualities they observe and admire most in their pets are values we humans would do well to nurture within ourselves They discover that our best friends have a lot to teach us Gotham and Deepak s message may seem simple but therein lies its brilliance Heartfelt endearing and above all down to earth *Walking Wisdom* offers readers both enlightenment and comfort with a little bit of mayhem thrown in for good measure
