**The Fine Art of Executive Protection** A. Hunsicker,2007-12 The number of incidents and crimes carried out by terrorists and criminals such as physical threats violent attacks assassinations kidnapping and hostage situations are increasing by the minute worldwide Each incident is a constant and ever demanding challenge to the law enforcement and the personal security professionals in particular A detailed but understandable manual for the Executive Protection Officer is a priority and the answer to those challenging situations The Fine Art of Executive Protection is a detailed but understandable manual for the Executive Protection Officer providing answers to those challenging situations

Information about every aspect of executive protection is not only an important part of the professional's training curriculum but plays also a vital role for the client who seeks protection. This manual will provide a clear view of all aspects not only for the professional but also for prospect clients. To make sure of this, all available training and study material, individual case studies and real scenarios combined with professional experience served as a foundation for this specialist's manual. *The Fine Art of Executive Protection* in its comprehensive and straight forward form will guide the reader through the diversity of disciplines and skills which are essential for any professional of the executive protection and private security sector. This book provides detailed information and knowledge necessary and indispensable not only for the novice but also for the experienced executive protection professional. It provides the clear knowledge and a thorough understanding of the characteristics, diversity and demands of this profession. It contains all the essential ingredients necessary for an effective protection planning and successful service demanded by any executive protection specialist. Providing all the tools, techniques and applications needed for this specific job, it also shall motivate some talents which may need to be developed further and to face not only today's protection needs but also those of the future. The book not only contains detailed professional information for the person seeking a post in the glamorous world of the executive protection business but also provides all the information necessary for those under threat and in need of close protection and a secure environment. A protection seeking client will find detailed information about Executive Protection and Physical Security. Executive or Personal Protection was once considered a service only and exclusive for the rich, famous and a few selected government officials. But recent events and an increase in violence quickly transformed Executive Protection into a sought after service commodity worldwide. Keeping this in mind, any part of this guide is therefore easily adaptable and adjusted to any region or country in the world. However, one must carefully consider and act within the local laws to assure a successful protection service.

**Product Safety & Liability Reporter**, 2005      **Face your brand! The visual language of branding explained** ,

**Emergency Deep** Michael DiMercurio, 2017-12-14. U.S. Navy submarine commander Peter Vornado is at the top of his game in underwater warfare when a devastating illness takes him out of the service and almost to the grave. Without duty, honor or something to fight for, his life is as good as over. But the CIA needs a man like Vornado. A terrorist cabal has acquired a scrapped Soviet sub from the Cold War, a technologically advanced failure still able to outrun any torpedo or enemy vessel and strike at will. With a nuclear payload, it will enable the terrorists to fire directly on Israel and throw the world into chaos. All that remains is to modernize the sub with the latest technology. Only one man can infiltrate the group, take the helm and stop a holocaust: a man who has already stared down death and is ready to do battle once more.      *Guns Of The Elite Forces* John Walter, 2005-02-01. *Guns of the Elite Forces* provides a penetrating account of the weapons that elite fighting troops carry into combat. Such elites have always existed in the armies of the world. During World War II, elite units sprang up in most theatres of conflict: the German Brandenburgers carried out clandestine operations in Poland; in the Western Desert, the

Long Range Desert Group and SAS penetrated deep behind enemy lines for larger scale raids the British Commandos and the US Rangers and Marine Raiders were formed      **The Sleeping Beauty Killer** Mary Higgins Clark,Alafair Burke,2016-11-15  
Living under suspicion after wrongly serving time for her fiancé's murder Casey attracts the attention of newswoman Laurie who pledges to exonerate her in spite of the machinations of an attention stealing former prosecutor      **Nuclear Ruse** Robert A. Gonzalez,2012-04-18 It is a perfect day for golf in Albany New York Amateur golfers Ed Michaels Bill Moretti and Frank Solis have just topped off their ideal day at the golf course with cold beers As the trio heads to their cars in the parking lot the men have no idea that their lives are about to change forever After two burly men throw them into the back of a van at gunpoint and take them to a basement in a seedy part of New York City Ed Bill and Frank each wonder what will become of themselves With no clue as to why they have been snatched in broad daylight Ed secretly speculates whether his gambling addiction has caught up with him Bill wonders if his competitors are retaliating for his ruthless business practices But it is when the kidnappers confront Frank that he discovers he is the target simply because he works in a nuclear laboratory In this political thriller three men are unwittingly taken on a dangerous journey that leads them from upstate New York to the streets of Little Havana where they are forced to face agents of terrorists with bold plans to steal some of our most guarded secrets Only time will tell if Ed Bill and Frank can survive and prevent the terrorists from achieving their goals
