To the Islands Anne Schuster, 2014-09-25 To the Islands is a practical guide for writers beginners and seasoned explorers alike Discover five imaginary islands that lie waiting for you in the sea of creativity each with an itinerary specially devised to lead you on writing adventures Using poetry and prose the 25 excursions in this workbook will encourage you to experiment and cultivate a writing habit even if you only have half an hour a day to spare There are many approaches to learning creative writing The approach that underpins this workbook is inspired by practice It is founded on the idea that what writers need most is to write Writers find their feet by writing They tune their voices by writing To write frequently and with abandon allows you to explore the palettes and scenery of your creative universe It is through writing that you discover your own islands Based on a course designed by

acclaimed writing facilitator Anne Schuster *To the Islands* is a practical and invaluable sourcebook for individuals for writing groups and for facilitators of creative learning processes *The Art of Awareness, Second Edition* Deb Curtis, Margie Carter, 2012-11-21 Learning to closely observe children requires commitment to systematic study and ongoing practice With activities experiences and stories this book provides that opportunity Nine observation study sessions help educators of young children discover the many ways that being observant can enhance their teaching Updates to this second edition reflect current issues in early childhood education including learning standards assessment and technology Deb Curtis and Margie Carter are popular presenters at early childhood conferences professional development speakers and on site consultants They have written several books together including *Learning Together with Young Children* and *Designs for Living and Learning* ***The Art of Awareness*** Debbie Curtis, Deb Curtis, Margie Carter, 2000 The authors explain that the key to observing children is to know that observation is more than just a teaching technique Observing children closely provides a new way of thinking about learning and teaching *Surviving Your Dissertation* Kjell Erik Rudestam, Rae R. Newton, 2007-04-05 This is the most comprehensive and user friendly book available for helping graduate students complete both quantitative and qualitative dissertations in the social sciences *Writing the Natural Way* Gabriele Rico, 2003-12

Pain and Possibility Gabriele L. Rico, 1991 Explains how to use personal creativity to promote psychological healing and growth describing how writing can alleviate pain and help one cope with depression tragedy illness or other problems

Writing as Craft and Magic Carl Sessions Stepp, 2000 ***The Family Patterns Workbook*** Carolyn Foster, 1993 Picking up where John Bradshaw left off this active recovery workbook for exploring the roots of relationship styles reveals how to break free from one's past and create a life of one's own Through a proven writing program readers discover the complete story of their family their parents and themselves ***Inside Out*** Dan Kirby, Dawn Latta Kirby, Tom Liner, 2004 It all begins inside inside the heads of our kids There are ideas in there and language and lots of possibilities Writing is a pulling together of that inside stuff Writing is a rehearsal in meaning making The teacher's role in all this is to support those rehearsals The first edition of this popular textbook was born out of notes such as this that a young professor and a young high school teacher wrote to each other about the teaching of writing Dan Kirby and Tom Liner surprised themselves and the rest of academia by writing a book that other teachers found to be both entertaining and useful The first and second editions of *Inside Out* have helped both preservice and in service teachers to implement practical and authentic teaching techniques in their classrooms for the last twenty plus years Now the long awaited third edition is at hand this time with the addition of Dawn Latta Kirby's insightful work based on nearly 30 years of experience in teaching writing Together the three authors have thoroughly updated *Inside Out* with the latest information on technology a substantial reference section on resources and loads of new examples And they have gone a step further they have rethought their fundamental assumptions about literacy and learning to write and have incorporated this innovative thinking into two new opening chapters and additional

revisions throughout the book They have introduced fresh concepts overhauled some chapters and added new ones so that the third edition includes completely new material in the chapter on expository writing an updated chapter on poetry additional ideas about using portfolios publishing student writing with and without computers and working with young adult literature all new resources in a chapter by Karen Hartman Director of the Colorado Writing Project Still irreverent and skeptical of the conventional wisdom about teaching and learning still abhorring corporate strength writing pedagogies these authors echo the voices of many teachers who remain committed to teaching to the needs of their students Most of all they give teachers the means to prove their belief that learning to write is not just for the few or the gifted **Student Voices**

Hans Paul Guth,1989 This book should be of interest to undergraduate students wishing to improve their writing skills

Circles of Influence Michael J. Vivion,Sarah Morgan,1995 **Communication in Action** Dorothy Grant

Hennings,1990 Numerous hands on applications and authoritative coverage of teaching reading and writing across the curriculum *Words on Cassette*, 2002 R R Bowker Publishing,2002 **Writing in College** Patricia Simmons Taylor,1989

Spaces of Creation Suzan Zeder,Jim Hancock,2005 The authors offer insights exercises and etudes intended to guide you through the process of accessing ideas and images from your own inner resources of mind and body *Family Secrets* John Bradshaw,1995 What You Don t Know Can Hurt You But it Can Also Lead to Self Acceptance and Healing Family Secrets gives you the tools you need to understand your family and yourself in an entirely new way In his bestselling hooks and compelling PBS specials John Bradshaw has transformed our understanding of how we are shaped by our families Now join him on this fascinating journey of discovery which starts with your life today and takes you back through the conflicts the strengths and the weaknesses of your parents generation and even your grandparents Using a powerful technique for exploring your family tree you ll trace the visible and invisible patterns that have influenced you You ll learn about family secrets that are healthy and necessary and also about the secrets that can limit your wholeness and freedom even if you don t know they exist This work is sometimes painful hut it is always enlightening filled with the kind of aha moments a realizations that make everything fall into place With John Bradshaw s guidance you will come to a new appreciation and acceptance of yourself You will also be able to build more open honest and loving relationships with the people who matter most Book jacket **Kaplan Writing Power** Nancy White,Kaplan, Inc,1997 Provides tips on making writing powerful and energetic including essays speeches cover letters resumes and more
