Writing To God Kids Edition:

Writing to God: Kids' Edition Rachel G. Hackenberg, 2012-03-01 Writing to God Kids Edition offers guidance to kids that parents can also appreciate. It invites them to speak to God creatively through their pens or pencils or crayons. In 35 days kids are invited to pray to God using their senses reflecting on their feelings in light of Bible verses looking at nature to understand the ordinary events of life to use new words and pictures for God and as a way to say thank you. Hackenberg's book gives children permission to experience prayer as daily conversation with God. The freshness and honesty of her own prayers and her helpful prompts invite them to find and value their own words as offerings to a God who wants to be in relationship with them. Anabel Proffitt Associate Professor of Educational Ministries Lancaster Theological Seminary

Writing to God Rachel G. Hackenberg, 2012 Invites children to speak to God creatively through their pens or pencils or crayons. *Lenten Survival Guide for Kids* Peter Celano, 2014-03-01 Written for 7-11 year olds this playful guide appeals to kids who want to know more about what adults are telling them is a serious time. Without talking down to them yet challenging them to learn and do more the following topics are explored in detail: What Lent Is, What Lent Definitely Is Not, 40 Days of Survival Tactics and A Few Prayers and Practices Only for Kids. From What Lent Definitely Is Not: People easily become confused on this subject. In fact we're glad you are reading this book because we want to set you at least straight. You can then please set others straight. Lent is not about giving up silly things. It is not about making sad faces to show how difficult life has suddenly become for you. Need we start explaining how most of the world would think that giving up candy bars or soda for 40 days sounds just plain silly. According to Bread for the World 925 million people around the world go hungry each day. So please don't talk about the terrible hardship you are undergoing by giving up M&M's and Coca Cola for a few weeks. *Sacred Pause* Rachel Hackenberg, 2014-11-01 Our lives are full of words. We rarely pause to attend to them much less take time for personal retreat. This book encourages you to stop and revel in the sights sounds and meanings of what we say about God. Rachel Hackenberg offers the word weary the word lover and the spiritually hungry to explore the words of faith anew and thereby meet The Word afresh. Through twelve deceptively light hearted chapters on letters and definitions grammar and poetry this book sparks spiritual inspiration even as it provides practical exercises for an enlivening personal retreat experience. Rachel G. Hackenberg is an ordained United Church of Christ minister and author of *Writing to God* and *Writing to God Kids Edition*. She facilitates workshops on prayer worship clergy renewal and congregational vitality. She blogs at faithandwater.com. Rachel Hackenberg invites us to reconsider and re-engage with the words we typically use to describe rather than to fully express our faith. *Sacred Pause* is a book to savor. It's as much a devotional as it is a guide for a creative retreat that will change the way you'll encounter Scripture and live the Gospel. Meredith Gould PHD author of *Service as a Spiritual Practice*. This book will awaken you to a sensational faith encompassing all your senses and enabling you to experience the holiness of God in the quotidian adventures of life. An antidote to spiritual stagnation this text will get

Since then, fifty-nine of the finest, most dedicated, and most decorated nonfiction writers have held the Ferris and McGraw professorships. This monumental volume harbors their favorite and often most influential works. Each contribution is rewarding reading, and collectively, the selections validate journalism's ascent into the esteem of the academy and the reading public. Necessarily eclectic and delightfully idiosyncratic, the fifty-nine pieces are long and short, political and personal, comic and deadly serious. Students will be provoked by William Greider's pointed critique of the democracy industry, eerily entertained by Leslie Cockburn's fraternization with the Cali cartel, inspired by David K. Shipler's thoughts on race, unsettled by Haynes Johnson's account of Bay of Pigs survivors, and moved by Lucinda Frank's essay on a mother fighting to save a child born with birth defects. Many of the essays are finely crafted portraits: Charlotte Grimes's biography of her grandmother, Blair Clark's obituary for Robert Lowell, and Jane Kramer's affecting story of a woman hero of the French Resistance. Other contributions to savor include Harrison Salisbury on the siege of Leningrad, Landon Jones on the 1950s, Christopher Wren on Soviet mountaineering, James Gleick on technology, Gloria Emerson on Vietnam, Gina Kolata on Fermat's last theorem, and Roger Mudd on the media. Whether approached chronologically, thematically, randomly, or as the editors order them, more intuitively, each suggests a perfect evening reading. Designed for students as well as general readers, *The Princeton Anthology of Writing* splendidly attests to the elegance, eloquence, and endurance of fine nonfiction. **For Kids - Putting God on Your Guest List** Jeffrey K. Salkin, 1998 This informative and lighthearted book combines Torah folklore, history, and liturgy in a language that kids can understand. *Putting God on the Guest List* brings the significance of their entering the covenant close to home to help them make their coming of age special for themselves, for their families, and for God. John Lennon John Blaney, 2005 **Call Me Vivian** Katie Scheller, 2016-02-01 Experience the transforming power of God's love. *Call Me Vivian* is a true story about a woman caught in adultery. On the fast track in Corporate America, Scheller became involved in an illicit love affair with her boss that newspapers reported as sordid. Not everyone's extramarital affair makes front-page news or results in a civil lawsuit and criminal charges that land a person in federal prison, but hers did. From a financially secure future to losing everything except her positive attitude, sense of humor, and faith, Scheller found herself sleeping on the concrete floor in a prison cell she describes as one step above hell. It was in this place that God did

His best work This book exposes the truth about Scheller s struggle with sexual sin the battle for her heart and the transforming power of God s love Through Scheller s heartache pain and countless years of searching you will gain a better understanding of God s wonderful gifts of grace and forgiveness Call Me Vivian will prove all things are possible with God if you simply have the faith to believe Writing on the Edge ,2000 **Best Newspaper Writing 2005** Aly Colón,2005
