Wylder's Hand is a novel from Gothic and mystery writer Sheridan Le Fanu. There was a little fair haired child playing on the ground before the steps as I whirled by. The old rector had long passed away, the shorts gaiters and smile a phantom and nature who had gathered in the past was providing for the future. The pretty mill road running up through Redman's Dell dank and dark with tall romantic trees was left behind in another moment and we were now traversing the homely and antique street of the little town with its queer shops and solid steep roofed residences. Up Church street I contrived a peep at the old gray tower where the chimes hung and as we turned the corner a glance at the Brandon Arms. How very small and low that palatial hostelry of my earlier recollections had grown. There were new faces at the door. It was only two and twenty years ago and I was then but eleven years old. A retrospect of a score of years or so at three and thirty is a much vaster affair than a much longer one at fifty. The whole thing seemed like yesterday and as I write I open my eyes and start and cry can it be twenty five and twenty aye by Jove five and thirty years since then. How my days have flown. And I think when another such yesterday shall have arrived where shall I be.

Wylder's Hand J. Sheridan Le Fanu, 2025-06-13

The engagement between Dorcas Brandon and Mark Wylder promises to unite two powerful families in the quiet town of Brandon Hall. But when Wylder suddenly vanishes without explanation, unease spreads through the community. As Dorcas turns to the cold and calculating Captain Stanley Lake for support, rumors and suspicions multiply. Letters appear, secrets surface and a body is discovered, forcing everyone to confront the possibility of betrayal and murder. Rich in intrigue and psychological tension, *Wylder's Hand* 1864 is one of J. Sheridan Le Fanu's most tightly plotted novels, blending gothic suspense with the emerging Victorian sensation genre. With its morally ambiguous characters and slow burning dread, it showcases Le Fanu's skill at revealing the hidden motives and buried crimes that shape seemingly respectable lives.

JOSEPH SHERIDAN LE FANU 1814 1873 was an Irish mystery and horror author. He had an enormous influence on the horror genre in the 19th and 20th century, especially through his championing of tone and effect rather than shock factor. Among his most

noted work is the lesbian vampire novella Carmilla 1872 and mystery Uncle Silas 1864 Wylder's Hand Joseph Sheridan Le Fanu,1977-10-01 Joseph Sheridan Le Fanu - Wylder's Hand Joseph Sheridan Le Fanu,2016-12-22 Joseph Thomas Sheridan Le Fanu was born on August 28th 1814 at 45 Lower Dominick Street Dublin into a literary family with Huguenot Irish and English roots The children were tutored but according to his brother William the tutor taught them little if anything Le Fanu was eager to learn and used his father s library to educate himself about the world He was a creative child and by fifteen had taken to writing poetry Accepted into Trinity College Dublin to study law he also benefited from the system used in Ireland that he did not have to live in Dublin to attend lectures but could study at home and take examinations at the university as and when necessary This enabled him to also write and by 1838 Le Fanu s first story The Ghost and the Bonesetter was published in the Dublin University Magazine Many of the short stories he wrote at the time were to form the basis for his future novels Indeed throughout his career Le Fanu would constantly revise cannabilise embellish and re publish his earlier works to use in his later efforts Between 1838 and 1840 Le Fanu had written and published twelve stories which purported to be the literary remains of an 18th century Catholic priest called Father Purcell Set mostly in Ireland they include classic stories of gothic horror with grim shadowed castles as well as supernatural visitations from beyond the grave together with madness and suicide One of the themes running through them is a sad nostalgia for the dispossessed Catholic aristocracy of Ireland whose ruined castles stand in mute salute and testament to this history On 18 December 1844 Le Fanu married Susanna Bennett the daughter of a leading Dublin barrister The union would produce four children Le Fanu was now stretching his talents across the length of a novel and his first was The Cock and Anchor published in 1845 A succession of works followed and his reputation grew as well as his income Unfortunately a decade after his marriage it became an increasing source of difficulty Susanna was prone to suffer from a range of neurotic symptoms including great anxiety after the deaths of several close relatives including her father two years before In April 1858 she suffered an hysterical attack and died in circumstances that are still unclear The anguish profound guilt as well as overwhelming loss were channeled into Le Fanu s work Working only by the light of two candles he would write through the night and burnish his reputation as a major figure of 19th Century supernaturalism His work challenged the focus on the external source of horror and instead he wrote about it from the perspective of the inward psychological potential to strike fear in the hearts of men A series of books now came forth Wylder s Hand 1864 Guy Deverell 1865 The Tenants of Malory 1867 The Green Tea 1869 The Haunted Baronet 1870 Mr Justice Harbottle 1872 The Room in the Dragon Volant 1872 and In a Glass Darkly 1872 But his life was drawing to a close Joseph Thomas Sheridan Le Fanu died in Merrion Square in his native Dublin on February 7th 1873 at the age of 58

Wylder's Hand

Joseph Sheridan Le Fanu, 2016-01-10 It was late in the autumn and I was skimming along through a rich English county in a postchaise among tall hedgerows gilded like all the landscape with the slanting beams of sunset The road makes a long and easy descent into the little town of Gylingden and down this we were going at an exhilarating pace and the jingle of the vehicle sounded like sledge bells in my ears and its swaying and jerking were pleasant and life like I fancy I was in one of those moods which under similar circumstances I sometimes experience still a semi narcotic excitement silent but delightful An undulating landscape with a homely farmstead here and there and plenty of old English timber scattered grandly over it

extended mistily to my right on the left the road is overtopped by masses of noble forest The old park of Brandon lies there more than four miles from end to end These masses of solemn and discoloured verdure the faint but splendid lights and long filmy shadows the slopes and hollows my eyes wandered over them all with that strange sense of unreality and that mingling of sweet and bitter fancy with which we revisit a scene familiar in very remote and early childhood and which has haunted a long interval of maturity and absence like a romantic reverie Wylders Hand J.
