Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

In Viola, he thought he had found the perfect woman: beautiful and rich with a sweet nature. But Viola was neither practical nor sensible when it came to marriage; for she fully expected her husband to love her and was determined to settle for nothing less. Soon, however, John's secret was unwittingly revealed, but by then they were married, and it was too late. Until one day, John finally came to his senses and prayed it wasn't too late to win back the love of his very own wife.

And Sir Ian Moore, Britain's most proper diplomat, is the perfect man to choose her a groom. Diplomacy, not matchmaking, is Ian's forte, but he vows to get Lucia married off as soon as possible so that he may return to his real duties. Yet despite an abundance of very eager, worthwhile candidates, none is a match for Lucia's spirit and fire. And the more time Ian spends with the infuriating beauty, the more reluctant he is to marry her off. Could it be that he has already found Lucia, the perfect husband, and it is Ian himself?
