Let us be merciful and slow to anger, rich in kindness and fidelity. Love is patient, it is full of greatness and sacrifice. Should we not be a source of love in order to know the height, depth, length, and width of love? Love is strong as death. Death, life, and environmental difficulties can never overcome immeasurable love. At the point where we have reached, let us walk with the same step, eye to eye, hand in hand, with the same vision. We have a lot more in common than you think. I only have a minute, sixty seconds in it. Forced upon me, I did not choose it, but I know that I must use it. Give account if I abuse it. Suffer if I lose it. Only a tiny little minute. But eternity is in it. Rep. Elijah Cummings. Don't ever make decisions based on fear. Make decisions based on hope and possibility. Make decisions based on what should happen, not what shouldn't. Michelle Obama. To forgive is to set a prisoner free and discover that the prisoner was you. Lewis B. Smedes. Real integrity is doing the right thing knowing that nobody's going to know whether you did it or not. Oprah Winfrey. Blame keeps wounds open. Only forgiveness heals. Thomas S. Manson.

**The 5 Principle of the Shaolin Warrior in Daily Life** Simone Marini, 2025-07-07. You don't have to be a martial artist to live like a warrior. In the chaos of the modern world, the Shaolin way can become your daily compass. This book is not a manual of fighting techniques but a practical and inspiring guide for those who want to live with more presence, inner strength, and harmony. You will discover five millenary principles of Shaolin Kung Fu, ancient but surprisingly current that you can apply in your life, even if you have never worn a martial arts uniform. ZEN: The courage that comes from the heart. JING: The calm that transforms chaos into clarity. LIAN: The discipline that forges character and presence. REN: The patience that transforms obstacles into opportunities. HE: The harmony that unites inside and out, body and mind. Through reflections, daily examples, and concrete exercises, you will learn to recognize and cultivate your inner strength. The Shaolin warrior is not the one who fights but the one who chooses the path of awareness every day. Whether you are dealing with stress, personal difficulties, or simply looking for a deeper direction in your life, this book will give you real tools to transform every day into a little training of the soul. The warrior is not defined by his victories but by what he cultivates within himself. Includes simple and transformative daily exercises, stories, and inspirations from the Shaolin tradition. A motivating conclusion to continue your path. Minimalist symbolic images for each principle. Written by Simone Marini, Shaolin Kung Fu, Tai Chi, and meditation teacher, founder of the Wu Tao Life school, with years of experience in transmitting oriental wisdom in the contemporary world.
