Metz,1992 Richard A Gabriel and Karen S Metz have completed this unique two volume work the first published comprehensive history of military medicine in the Western world This first volume deals with the period starting with Sumer 4000 B C and continues with analyses of military medicine in Ancient Egypt 3500 B C 350 B C Assyria 911 B C 612 B C Israel Persia and India 1300 B C 100 B C Greece 500 B C 147 B C and Rome 753 B C 478 A D Also included is a chapter on barbarians Byzantines and Islam ending the first volume with the fall of Constantinople to the Ottoman Turks in 1453 Since the transfer of information or practices relevant to military medicine were rare in ancient civilizations this volume examines each civilization as an individual detailed case study Volume I ends with an overview of military medicine in the ancient world a bibliography and a general subject index Both of these volumes are of considerable value to students and scholars in the disciplines of world history military studies and medical history The Gabriel Metz undertaking promises to stimulate an intensive re examination of military medical history **Treatise on Partisan Warfare** Johan Ewald,1991-12-30 This translation of Johann Ewald s classic essay *Abhandlung Uber den kleinen Krieg* published in 1785 describes light infantry tactics in an era of heavy infantry formations Robert Selig and David Skaggs comment on Ewald s treatise on partisan warfare and its relevance to current military doctrine They also provide extensive scholarly notations with the text explaining people places and events during the Seven Years War and the American Revolution where Ewald had extensive experience as a company commander in the Hessian Field Jaeger Corps This first English translation should be of real interest to historians of American Revolution and pre Napoleonic warfare and of special use to military professionals today in the Army and Marine Corps Captain Ewald eventually a Major General in the Danish Army describes the recruiting and training of light infantry troops and discusses their use both in the Seven Years War and the American Revolution at length He provides illuminating insights into light infantry tactics and doctrine **The British National Bibliography** Arthur James Wells,1992 A History of Military Medicine: From the Renaissance through modern times Richard A. Gabriel,Karen S. Metz,1992 This work is the first published comprehensive history of military medicine in the Western world The second volume begins with the Renaissance and ends with the Vietnam War Additional emphasis is placed on the cross national transfer of information relevant to military medicine Asian and Asian American Studies ,1993 *The Vietnam War* James S. Olson,1993-04-13 This is a scholarly assessment of broad ranging research on the Vietnam War over the last seventeen years by the editor of the prize winning *Dictionary of the Vietnam War* James Olson and his contributors offer fascinating insights as they evaluate the significant literature films and TV programs offering different perspectives on the historical background strategy and conduct of the war the perspectives of Americans the Indochinese women minorities and veterans the impact of the war on

the homefront and major problems and issues in the aftermath of the war This one volume major reference covers all genres of literature primary and secondary sources personal narratives and oral histories fiction and non fiction popular accounts expert studies of military strategy and operations Indochinese studies books about the involvement and role of women and blacks and discussions about Indochinese refugees prisoners of war those missing in action veterans and post traumatic shock Films TV programs comic books and studies pointing to the effect of the war on the homefront and on others make up an important part of the book A full index makes the volume easily accessible to students scholars and professionals in military studies American and world history American studies and popular culture political science and international relations an important acquisition for libraries of all kind Bibliographic Guide to Education 1992 G. K. Hall and Co. Staff,1993-06 Resources in Education ,1999 **Doctrine and Dogma** Martin Samuels,1992-05-30 Comparing German and British infantry tactics training and leadership techniques during World War I this study undercuts traditional views about the reasons for German successes and British failures during the Great War and points to how different value systems affected military prowess **Controlling and Ending Conflict** Stephen J. Cimbala,Sidney Waldman,1992 This provocative and authoritative study covers all the major aspects of conflict termination before and after the Cold War Cimbala and Waldman together with prominent analysts offer different insights into the key issues and military and political strategies to end and control conflict in a radically changing world They define basic principles and consider intrawar deterrence and various ways to control and end all types of war in an age of nuclear proliferation Infantry ,1988 *The Duke of Wellington and the British Army of Occupation in France, 1815-1818* Thomas Dwight Veve,1992-07-30 An unexamined aspect of the career of the Duke of Wellington his command of allied forces occupying France serves as the focus of this work Veve traces the history of the 1815 1818 occupation and the significant role that Wellington played in making the first multinational peacekeeping force a success **Resources in Vocational Education** ,1979 **Handbook of Education Policy Research** Lora Cohen-Vogel,Peter Youngs,Janelle Scott,2025-07-17 The second edition of the Handbook of Education Policy Research the largest volume published in AERA s history addresses a variety of policy and contextual issues in early childhood K 12 and postsecondary education that have received extensive empirical attention during the past 15 years With the pandemic and social turmoil as a backdrop the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects methods theories and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s The field has become more comprehensive and inclusive and the authors represent a diversity of racial ethnic and gender identities and intellectual and disciplinary orientations Most chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the field and richly attend to critical issues of interest to students researchers policy makers and practitioners *Choice* ,1998

Hidden Ally Arthur L. Funk, 1992-05-20 How did the French Resistance and Allied forces work together to liberate southern France from the Germans during World War II Arthur Funk gives the first detailed account of the complex British French and American operations in 1944 an account that uses a wealth of original source material on both sides of the Atlantic to evaluate the role of the French Resistance and to assess the problems in coordinating Allied military activities The study should be of great interest to historians history buffs and colleges and universities that wish to fill this gap in the historiography of World War II The first half of the book deals with preparations for the Allied landings in August 1944 telling about agents first in contact with the French Resistance and about the work of Allied missions French groups and British officers and teams directed from London and Algiers The second half of the book covers the collaboration of French Forces of the Interior with the U S Seventh Army in the liberation of Marseilles Lyon and other cities in southeastern France Filled with interesting detail about major figures in the war and little known agents and officers the book is unique in weaving together recently declassified OSS sources in Washington with British and French archival information that is rarely noted Maps and photographs are included in the book and a useful bibliography is also provided
