To Begin Again Naomi Levy, 1999-09-07 Words that come from the heart enter the heart an ancient rabbinic proverb instructs us The words in this book come from the heart mine and the hearts of others I pray that you will find within them a spark that will ignite the flame of hope and the passion for healing that lies within us all Naomi Levy was a spirited fifteen year old when her father was murdered in a senseless holdup that destroyed not only his life but her trust in a loving God Healing took a long time yet from her struggles with grief anger and depression she forged the wisdom that made her at twenty six a beloved rabbi and now makes her book a miracle of honesty recovery and compassion Where do we find the strength to meet tragedy Can we rekindle hope Innocence Faith The answers illustrated with many moving true stories drawn from Rabbi Levy s experience and the lives of her congregants provide sanity peace and a safe harbor where we can heal and grow Remember Death is a great tragedy But to die while we are still living that is the greatest tragedy of all

Reflections on Old Age Cornelius F. Murphy Jr., 2015-04-07 The English writer E M Forster described old age as a seductive combination of increased wisdom and decaying powers to which too little intelligence is devoted This book is a response to that criticism It explains how old age has been considered throughout the ages by philosophers poets and other literary figures and explores how the extraordinary increase of life expectancy that began in the last century has been sustained by science and medicine Unfortunately the general public still prefers to keep the elderly out of sight and especially out of mind To overcome this marginalization I call for the emergence of a more inclusive humanism one that is welcoming to persons of all ages To overcome the pervasive isolation of the elderly requires a new dialogue across all the living generations Echoing the sentiments of Cicero in his classic study of old age I also call for a reflective maturity to develop among the elderly one that reaches deeply into themselves and increases their understanding of the world around them Spiritual maturity demands growth in virtue and charity in the advance of years A reaching out to all in the pursuit of justice and the common good is strongly recommended The book concludes with some reflections upon hopes for personal immortality as well as the qualities of divine justice and mercy
