The Wake And What Jeremiah Did Next:

Jeremiah's Journey J. Hand, 2012-09 This is a story of Jeremiah's rescue of the last Judean king's daughters. It has elements of espionage, action, and adventure. It may read like a modern thriller, but it is based on the life of the biblical Jeremiah and the histories and traditions of other nations. It operates on the assumption that Jeremiah did exactly what God told him that he would do. God told Jeremiah that he would see the destruction of his nation, but also the replanting and rebuilding in a different land that he did not know. The history uses modern dates. There are many espionage characteristics because while he loudly proclaimed God's message of the consequences to his nation of their choices, he also had to use secrecy. The survival of the culture in the captives taken to Babylonia depended on it. Finally, he would use secrecy to protect the last descendants of King David. The main characters in this story, besides Jeremiah, are his partner Baruch, a black royal guard captain Ebed Melech, and of course the king's daughters. It does not conflict with the Bible, but get ready to be entertained, enlightened, and inspired.

Children of the Dome Rosemary Smith, 2000-05 Collected to help parents deal with their grief over losing a child, this book includes stories written by parents who have been through this devastating experience.

Pighearted Alex Perry, 2021-10-26 Charlotte's Web meets My Sister's Keeper in this charming story told from the alternating perspectives of a boy with a fatal heart condition and the pig with the heart that could save his life. Jeremiah's heart skips a beat before his first soccer game, but it's not nerves. It's the first sign of a heart attack. He knows he needs to go to the hospital, but he's determined to score a goal. Charging after the ball, he refuses to stop, even if his heart does. J6 is a pig and the only one of his five brothers who survived the research lab. Though he's never left his cell, he thinks of himself as a therapy pig, a scholar, and a bodyguard. But when the lab sends him to live with Jeremiah's family, there's one new title he's desperate to have: brother. At first, Jeremiah thinks his parents took in J6 to cheer him up. But before long, he begins to suspect there's more to his new curly-tailed companion than meets the eye. When the truth is revealed, Jeremiah and J6 must protect each other at all costs, even if their lives depend on it.

Jeremiah's Revenge Sandra Brannan, 2018-06-05 Sandra Brannan has once again masterfully delivered on her latest compelling installment in the Liv Bergen Mystery Series. Liv has recently returned to work at the FBI from a forced leave of absence after witnessing the brutal murder of her boyfriend Jack Linwood. As she painfully emerges from her grief, Liv comes face to face with two facts: She did not truly love Jack, and she does love her long-time colleague and mentor Streeter Pierce. But she wonders if she can find the courage to let him know, or just how much longer she can hide her feelings. As Streeter and Liv are drawn together and a tender relationship begins, a gritty and often shocking set of events is unraveling around them. And while fans of the series have long waited to know the truth about his past, Streeter's honest revelations lead to nothing but fear, and his worst nightmare where Liv is put within inches of losing her life. The title of the book, an evil twist referencing admonitions from the Bible's Book of Jeremiah, sends a warning to the steadfast agent's fans: they won't soon forget.
