Preaching from Inside the Story Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the

inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching

Designing the Sermon James Earl Massey, 2010-10-01 Providing fundamental homiletical principles this classic book gives readers all the tools they need to prepare a meaningful sermon Sermon design James Massey's contemporary creative approach to shaping specific classifications of sermons focuses on order What is the preacher's goal and on movement What structure is he or she using to get there The discussion of his approach begins with an appraisal of the sermon in context in relation to goals design basic forms contemporary concerns and the why of it all Dr Massey's specific forms for designing sermons include the narrative story sermon a subject which is receiving renewed interest today the textual expository sermon the doctrinal topical sermon and the special occasion sermon for which he has chosen the topic of the funeral Suggestions are included for studying the methods of master preachers as a resource for more effective preaching And three of the author's own tested sermons are used as illustrations of sermon design possibilities

Sharing the Word Lucy Atkinson Rose, 1997-01-01 Lucy Atkinson Rose proposes a nonhierarchical communal relationship between pastor and congregation that questions traditional assumptions of preaching and offers insight from those on the margin and those outside the field of homiletics She invites preachers to practice a style of conversational preaching rooted in connectedness and a sense of mutuality between preacher and worshipers

A History of Preaching Otis Carl Edwards, 2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church's twenty centuries Each chapter in volume two is geared to its companion chapter in volume one's narrative history

The Publishers Weekly, 1888 *Revives My Soul Again* Lewis V. Baldwin, Victor Anderson, 2018-11-01 MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life This book addresses this neglect by focusing on King's life as a paradigm of a deep vital engaging balanced and contagious spirituality It shows that the essence

of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer meditation and fasting but also a public ministry that involved the uplift and empowerment of humanity Much attention is devoted to King s spiritual leadership to his sense of the civil rights movement as a spiritual movement and to his efforts to rescue humanity from what he termed a perpetual death of the spirit Readers encounter a figure who took seriously the personal interpersonal and sociopolitical aspects of the Christian faith thereby figuring prominently in recasting the very definition of spirituality in his time King s holistic spirituality is presented here with a clarity and power fresh for our own generation Setting Words On Fire Paul Scott Wilson,2016-04-25 A comprehensive introduction to preaching emphasizing the encounter with God s grace as the goal and heart of the sermon *Accidental Preacher* Will Willimon,2019-07-16 The lively inspiring memoir of an eminent Christian preacher and leader In this book one of today s best known Christian leaders recounts with his signature wit and humor memorable moments from his rich and full preaching life A personal and vocational memoir Will Willimon s *Accidental Preacher* portrays the adventure of a life caught up in the purposes of a God who calls unlikely people to engage in work greater than themselves Beginning with his childhood in a segregated South and moving through his student years Willimon gives candid inspiring and humorous testimony to his experiences as a seminary professor rural pastor globe trotting preacher bishop and popular theologian and writer Above all he shows how God has constantly had a call on his life By turns poignant hilarious and thought provoking but always irresistibly engaging *Accidental Preacher* is sure to join the well remembered classic memoir of our time Learning from a Legend Jared E. Alcantara,2016-09-30 In April 2015 America s last pulpit prince died When Gardner C Taylor 1918 2015 former senior pastor of Concord Baptist Church in Brooklyn departed this life at the age of ninety six the United States lost one of the greatest preachers of the twentieth century Unfortunately not enough preachers today know his name or why his preaching can enrich and bless the church today *Learning from a Legend What Gardner C Taylor Can Teach Us about Preaching* provides Christian preachers with much needed lessons wisdom and insights from Dr Taylor the dean of American preaching It highlights six lessons that Dr Taylor can teach preachers in the twenty first century about pain redemption eloquence apprenticeship context and holiness Not only did Dr Taylor teach and preach these lessons he lived them Those wanting to learn more about Dr Taylor s preaching while also sharpening their own preaching ought to read this book
