all man has ever had to offer has been up for grabs All pretense of goodness and morality is dropped the moment a quick bit of Loot is to be had Whether for the risk the rush greed or just desperate necessity the magnetic pull for ill gotten plunder is just too strong What is Loot but the art of swindle plunder and graft Rare treasures and exquisite goods are wasted just as fast as pilfered then lost or hidden in secret squirreled away some never to be found again Where could all this hidden Loot be Fortunately modern man has been afforded the time and resources to ponder enticing mysteries such as these Rather than carve out a ravaging path of Loot and plunder most of us challenge convention by peaceably seeking after the truth bound in these legends Perhaps in the process we will even turn up a hidden trove for ourselves *From Quills to Tweets*
