First published in 1995 as *How to Differentiate Instruction in Mixed Ability Classrooms*, this new edition reflects evolving best practices in education, the experiences of practitioners throughout the United States and around the world, and Tomlinson's continuing thinking about how to help each and every student access challenging, high-quality curriculum, engage in meaningful learning experiences, and feel at home in a school environment that fits.

We Don't Need Another Hero Gregory Michie, 2015-04-25 In his latest book, bestselling author Gregory Michie critiques high-stakes schooling and provides a powerful alternative vision of teaching as a humanistic enterprise. Students as multidimensional beings and schools as spaces where young people can imagine and become, not just achieve. Drawing on his experiences over the past two decades as a classroom teacher, community volunteer, researcher, and teacher educator in Chicago's public schools, Michie offers compelling accounts of teaching and learning in urban America. Mindful of the complex realities educators face, he portrays urban schools as they really are: sites of struggle, hope, and possibility. At a time when others relentlessly trumpet a competitive, data-driven, corporatized notion of education, the essays in *We Don't Need Another Hero* challenge the dominant images of failing urban schools and bad teachers. Like Michie's now classic *Holler If You Hear Me*, this book gives much-needed hope to new and seasoned teachers alike. It is also an important resource for school administrators, policymakers, parents, and anyone who wants to better understand what is really happening in American schools. Gregory Michie teaches in the Department of Foundations and Social Policy at Concordia University Chicago. He is the bestselling author of *Holler If You Hear Me: The Education of a Teacher and His Students*, Second Edition, and *See You When We Get There: Teaching for Change in Urban Schools*. Greg Michie is right: we don't need another hero. The heroes are already there: they are our students, as well as the teachers and administrators who have a passion for justice. Those are the voices we must heed. From the Foreword by Sonia Nieto, professor emerita, University of Massachusetts Amherst. There is no writer working today who captures the excruciating complexity of a life in teaching with as much grace and clarity as Gregory Michie. These everyday heroes are the heart of teaching and the soul of democracy. William Ayers, educator and bestselling author of *To Teach*, Third Edition, and *Teaching the Taboo*. Gregory Michie's experiences in the classroom and his purview post-teaching make this a good peek into the thoughts of a man willing to challenge the current notions of education reform. Rather than sit in frustration over the current tenor surrounding these so-called reforms, Michie seeks meaningful progress and solutions.
