Tocqueville Democracy And Religion Checks And Balances For Democratic Souls

Ewa Atanassow

Tocqueville Democracy And Religion Checks And Balances For Democratic Souls:

Tocqueville, Democracy, and Religion Alan S. Kahan, 2015 A ground breaking study of the views of the greatest theorist of democracy writing about one of our most pressing issues Alan S Kahan a leading Tocqueville scholar shows how Tocqueville s analysis of religion is simultaneously deeply rooted in his thoughts on nineteenth century France and America and pertinent to us today Back cover

Culture, Secularization, and Democracy Sophie van Bijsterveld, Hans-Martien ten Napel, 2024-06-25 Following the approach developed by Alexis de Tocqueville this volume views democracy as a cultural phenomenon It starts from the assumption that if we are to adequately address concerns about the current state and future of modern Western democracies we need first to tackle the cultural preconditions necessary for the functioning of a democracy Since Tocqueville s time the book takes the most crucial change in the West to be double secularisation Here this concerns first the diminished influence of organised Christianity Even though secularity was partly a product of Christianity secularisation is highly significant in terms of the cultural underpinnings of Western democracy Second it involves a decreased interest in and knowledge of classical philosophy Chapters on secularity family life civic life and public spirit focus on central elements of the changed cultural foundation of democracy exploring issues such as identity politics the public space and the role of human rights and natural law in a pluralistic and resilient democracy The volume concludes with a closer look at the implications of current presentism that is the view that only the present counts for the legitimacy and effectiveness of democratic systems Finally it asks if double secularisation can also offer fresh opportunities for promoting the conditions of a viable democracy The book will be of interest to academics and researchers working in the areas of law and religion constitutional law political science history and philosophy Chapter 4 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Palgrave Handbook of Religion and State Volume I Shannon Holzer, 2023-10-11 The Palgrave Handbook of Religion and State Volume I Theoretical Perspective deals with the relationship between Religion and its long history that has played out throughout time and across the globe Countries in Africa the Middle East and Europe approach the subject of religion and the state in various ways While the word religion to westerners usually brings Christianity to mind in Japan it is Shintoism and Buddhism Volume II offers chapters on the relationship of both Shintoism and Buddhism to the Japanese state It is very easy to see how the deeply traditional Japanese citizens may come into conflict with the strictly secular Japanese state It also contains chapters about mosque and state as well as synagogue and state

Tocqueville's Dilemmas, and Ours Ewa Atanassow, 2022-10-18 How Tocqueville s ideas can help us build resilient liberal democracies in a divided world How can today s liberal democracies withstand the illiberal wave sweeping the globe What can revive our waning faith in constitutional democracy Tocqueville s Dilemmas and Ours argues that Alexis de Tocqueville one of democracy s greatest champions and most incisive critics can guide us forward Drawing on

Tocqueville's major works and lesser known policy writings Ewa Atanassow shines a bright light on the foundations of liberal democracy She argues that its prospects depend on how we tackle three dilemmas that were as urgent in Tocqueville's day as they are in ours how to institutionalize popular sovereignty how to define nationhood and how to grasp the possibility and limits of global governance These are pivotal but often neglected dimensions of Tocqueville's work and this fresh look at his writings provides a powerful framework for addressing the tensions between liberalism and democracy in the twenty first century Recovering a richer liberalism capable of weathering today's political storms Tocqueville's Dilemmas and Ours explains how we can reclaim nationalism as a liberal force and reimagine sovereignty in a global age and do so with one of democracy's most discerning thinkers as our guide *Tocqueville's Dilemmas, and Ours* Ewa Atanassow, 2025-07-29 How Tocqueville's ideas can help us build resilient liberal democracies in a divided world How can today's liberal democracies withstand the illiberal wave sweeping the globe What can revive our waning faith in constitutional democracy Tocqueville's Dilemmas and Ours argues that Alexis de Tocqueville one of democracy's greatest champions and most incisive critics can guide us forward Drawing on Tocqueville's major works and lesser known policy writings Ewa Atanassow shines a bright light on the foundations of liberal democracy She argues that its prospects depend on how we tackle three dilemmas that were as urgent in Tocqueville's day as they are in ours how to institutionalize popular sovereignty how to define nationhood and how to grasp the possibility and limits of global governance These are pivotal but often neglected dimensions of Tocqueville's work and this fresh look at his writings provides a powerful framework for addressing the tensions between liberalism and democracy in the twenty first century Recovering a richer liberalism capable of weathering today's political storms Tocqueville's Dilemmas and Ours explains how we can reclaim nationalism as a liberal force and reimagine sovereignty in a global age and do so with one of democracy's most discerning thinkers as our guide *Contesting Conformity* Jennie Choi Ikuta, 2020-04-01 Contesting Conformity investigates the writings of Tocqueville Mill and Nietzsche in order to examine the relationship between non conformity and modern democracy Jennie Ikuta argues that non conformity is an intractable issue for democracy while non conformity is often important for cultivating a just polity non conformity can also undermine democracy Democracy therefore needs non conformity but not in an unconditional way This book examines this intractable relationship and offers resources for navigating the relationship in contemporary democracies in ways that promote justice and freedom **Cold Civil War** Jim Belcher, 2022-03-22 America is experiencing extreme polarization and fragmentation that could split the country in two How can we bring America back together before it's too late Laying out a quadrant framework of understanding today's political climate Jim Belcher reveals both why we're divided and how to move beyond the left right stalemate toward a new vital center **The Cambridge Companion to Democracy in America** Richard Boyd, 2022-03-24 These essays explore important themes and contemporary legacies of Alexis de Tocqueville's classic work Democracy in America **The Oxford Handbook of the Sociology of the Middle East** Armando

Salvatore, Sārī Ḥanafī, Kieko Obuse, 2022 The Oxford Handbook of the Sociology of the Middle East integrates the study of the social dynamics in the Middle East within history culture and politics The volume transcends a purely regional perspective to investigate the global nature of these dynamics and their impact on the life of people in the region It provides a comprehensive perspective in connecting the vexed state society relations in the region with movements of transformation and the affirmation of rights and creativity in the public arenas **The Anthem Companion to Alexis de Tocqueville**

Daniel Gordon, 2019-05-30 The Anthem Companion to Alexis de Tocqueville contains original interpretations of Tocqueville's major writings on democracy and revolution as well as his lesser known writings on colonies prisons and minorities The Introduction by Daniel Gordon discusses how Tocqueville was canonized during the Cold War and the need to reassess the place of Tocqueville's voice in the conversation of post Marxist social theory Each chapter that follows compares Tocqueville's ideas on a given subject with those of other major social theorists including Bourdieu Dahl Du Bois Foucault Lvi Strauss and Marx This comprehensive volume is based on the idea that Tocqueville was not merely a founder or precursor whose ideas have been absorbed into modern social science The broad questions that Tocqueville raised his comparative vision and his unique vocabulary and style can inspire deeper thinking in the social sciences today Faulkner's Ethics Michael

Wainwright, 2021-05-28 This book offers the first comprehensive investigation of ethics in the canon of William Faulkner As the fundamental framework for its analysis of Faulkner's fiction this study draws on The Methods of Ethics the magnum opus of the utilitarian philosopher Henry Sidgwick While Faulkner's Ethics does not claim that Faulkner read Sidgwick's work this book traces Faulkner's moral sensitivity It argues that Faulkner's language is a moral medium that captures the ways in which people negotiate the ethical demands that life places on them Tracing the contours of this evolving medium across six of the author's major novels it explores the basic precepts set out in The Methods of Ethics with the application of more recent contributions to moral philosophy especially those of Jacques Derrida and Derek Parfit Tocqueville James T.

Schleifer, 2018-10-22 Alexis de Tocqueville a French aristocrat paradoxically famous for his insights into democracy and equality is one of history's greatest analysts of American society and politics His contributions to political theory and sociology are of enduring significance This book from one of the world's leading experts is a clearly written and accessible introduction to Tocqueville's social and political theories Schleifer guides readers through his two major works Democracy in America 1835-40 and The Old Regime and the Revolution 1856 as well as his working papers correspondence and other writings Schleifer examines Tocqueville's essential themes and explores the various meanings of his key terms including equality democracy liberty and revolution He combines a skillful exposition of Tocqueville's analysis of the beneficial and harmful consequences of democracy with a crystal clear discussion of his often overlooked economic ideas and social reform proposals Schleifer traces both the overall unity and the significant changes in Tocqueville's ideas demonstrating the complexity and subtlety of his thought and the importance of his legacy It will be essential reading for all scholars students

and general readers interested in the history of political thought political theory American politics and sociology

Democracy Tamed Gianna Englert, 2024 Liberal democracies are under constant threat in the twenty first century and there is growing scepticism about whether liberalism and democracy can continue to survive together In Democracy Tamed Gianna Englert argues that the dilemmas facing liberal democracy are not unique to our present moment but have existed since the birth of liberal political thought in nineteenth century France Combining political theory and intellectual history Democracy Tamed tells the story of how the earliest liberals deployed their new democracy to combat universal suffrage But it also reveals how later liberals would appropriate their predecessors antidemocratic arguments to safeguard liberal democracies as we have come to know them *For God and Country* Peter C. Mentzel, 2021-03-11 Religion and nationalism are both powerful and important markers of individual identity but the relationship between the two has been a source of considerable debate Much if not most of the early work done in Nationalism Studies has been based at least implicitly on the idea that religion as a genealogical carrier of identity was displaced with the advent of secular modernity which was caused by nationalism Or to put it another way national identity and its ideological manifestation nationalism filled the void left in people's self identification as religion retreated in the face of modernity Since at least the late 1990s this view has been increasingly challenged by scholars trying to account for the apparent persistence of religious identities Perhaps even more interestingly scholars of both religion and nationalism have noted that these two kinds of self identification while sometimes being tense as the earlier models explained are also frequently coexistent or even mutually supportive This collection of essays explores the current thinking about the relationship between religion and nationalism from a variety of perspectives using a number of different case studies What all these approaches have in common is their interest in complicating our understandings of nationalism as a primarily secular phenomenon by bringing religion back into the discussion **Why We Are Restless** Benjamin Storey, Jenna Silber Storey, 2022-10-25 A compelling exploration of how our pursuit of happiness makes us unhappy We live in an age of unprecedented prosperity yet everywhere we see signs that our pursuit of happiness has proven fruitless Dissatisfied we seek change for the sake of change even if it means undermining the foundations of our common life In *Why We Are Restless* Benjamin and Jenna Storey offer a profound and beautiful reflection on the roots of this malaise and examine how we might begin to cure ourselves Drawing on the insights of Montaigne Pascal Rousseau and Tocqueville *Why We Are Restless* explores the modern vision of happiness that leads us on and the disquiet that follows it like a lengthening shadow In the sixteenth century Montaigne articulated an original vision of human life that inspired people to see themselves as individuals dedicated to seeking contentment in the here and now but Pascal argued that we cannot find happiness through pleasant self seeking only anguished God seeking Rousseau later tried and failed to rescue Montaigne's worldliness from Pascal's attack Steeped in these debates Tocqueville visited the United States in 1831 and observing a people restless in the midst of their well being discovered what happens when an entire nation seeks worldly contentment

and finds mostly discontent Arguing that the philosophy we have inherited despite pretending to let us live as we please produces remarkably homogenous and unhappy lives Why We Are Restless makes the case that finding true contentment requires rethinking our most basic assumptions about happiness

Exploring the Social and Political Economy of

Alexis de Tocqueville Peter J. Boettke,Adam Martin,2020-02-07 Alexis de Tocqueville s work touched upon an exceptionally broad range of social scientific disciplines from economics to religion and from education to international affairs His work consistently appeals to scholars dismayed by existing disciplinary silos Tocqueville is also well regarded for diagnosing both the promise and perils of democratic life Consideration of his ideas provokes serious consideration of and engagement with contemporary trends as citizens in democratic countries cope with challenges posed by new technological cultural and political changes However attention to Tocqueville is uneven across disciplines with political theorists paying him the most heed and economists the least This volume focuses on political economy trying to bridge this divide This book collects essays by emerging scholars from a variety of disciplines political science economics sociology philosophy and social thought to examine Tocqueville s thoughts on political and social economy and its contemporary relevance The book is divided into two halves The first half engages with the main currents of research on Tocqueville s own thoughts regarding economic institutions constitutionalism liberalism history and education The second half applies Tocqueville s insights to diverse contemporary topics including international relations citizenship mass incarceration and pedagogy This volume will be of interest to scholars and students interested in Tocqueville the history of political thought and a variety of current policy issues

Augustine and Frontiers of Pluralism Boleslaw Z. Kabala,Thomas P. Harmon,Ashleen

Menchaca-Bagnulo,2025-05-14 This book focuses on St Augustine as a worthwhile resource for thinking through the challenges and prospects of pluralism The contributors speak to several dimensions of this organizing concept understanding of which is advanced by engagement with Augustine The volume brings together scholars from different disciplines faith traditions and political commitments all of whom have deemed it worthwhile to return to Augustine to learn about a signature theme of common life in the twenty first century The chapters address a variety of topics including civic engagement feminism Black religious thought domination liberalism and time In an age of pluralism the hope is to access the insights of the thinker who struggled with a plurality of desires motivations and political theological imaginations and to benefit from his thoughts The book will be of particular interest to scholars of theology philosophy and political science

Demos Rising Stephen W. Sawyer,2025-01-20 A political history exploring the concept of demos in the French government during the period of 1800 to 1850 In his previous book Demos Assembled historian Stephen W Sawyer offered a transatlantic account of the birth and transformation of the modern democratic state In Demos Rising he presents readers of political history with a prequel whose ambitious claim is that a genuine demos became possible in France only with the development of government regulation and administration Focusing on democracy as a form of administration rather than as

a form of sovereignty allows Sawyer to explore urban planning work and private enterprise health administration and much more as cornerstones of a self governing society of equals Examining the period between 1800 and 1850 Sawyer studies a set of thinkers who debated at length over the material problems of everyday life sparking calls for political action and social reform in the face of conflict wreaked by deforestation urbanization health crises labor relations industrial capitalism religious tensions and imperial expansion The solutions to these problems Sawyer argues were sought and sometimes found not through elections as one might assume but rather through the care for all promised by modern administrative power regulatory intervention and social welfare programs By studying this profound transformation in governance the book wagers we can better understand the origin and meaning of democracy even when events in our own time have thrown the concept into doubt

Political Deference in a Democratic Age Catherine Marshall, 2021-01-13 This book explores the concept of deference as used by historians and political scientists Often confused and judged to be outdated it shows how deference remains central to understanding British politics to the present day This study aims to make sense of how political deference has functioned in different periods and how it has played a crucial role in legitimising British politics It shows how deference sustained what are essentially English institutions those which dominated the Union well into the second half of the twentieth century until the post 1997 constitutional transformations under New Labour While many dismiss political and institutional deference as having died out this book argues that a number of recent political decisions including the vote in favour of Brexit in June 2016 are the result of a deferential way of thinking that has persisted through the democratic changes of the twentieth century Combining close readings of theoretical texts with analyses of specific legal changes and historical events the book charts the development of deference from the eighteenth century through to the present day Rather than offering a comprehensive history of deference it picks out key moments that show the changing nature of deference both as a concept and as a political force

Knowledge and Civil Society Johannes Glückler, Heinz-Dieter Meyer, Laura Suarsana, 2021-12-08 This open access book focuses on the role of civil society in the creation dissemination and interpretation of knowledge in geographical contexts It offers original interdisciplinary and counterintuitive perspectives on civil society The book includes reflections on civil and uncivil society the role of civil society as a change agent and on civil society perspectives of undone science Conceptual approaches go beyond the tripartite division of public private and civic sectors to propose new frameworks of civic networks and philanthropic fields which take an inclusive view of the connectivity of civic agency across sectors This includes relational analyses of epistemic power in civic knowledge networks as well as of regional giving and philanthropy The original empirical case studies examine traditional forms of civic engagement such as the German landwomen s associations as well as novel types of organizations such as giving circles and time banks in their geographical context The book also offers insider reflections on doing civil society such as the cases of the Umbrella Movement in Hong Kong epistemic activism in the United States and the FeesMustFall movement in South Africa

Right here, we have countless books **Tocqueville Democracy And Religion Checks And Balances For Democratic Souls** and collections to check out. We additionally present variant types and also type of the books to browse. The tolerable book, fiction, history, novel, scientific research, as with ease as various further sorts of books are readily within reach here.

Tocqueville Democracy And Religion Checks And Balances For Democratic Souls Introduction

In today's digital age, the availability of Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tocqueville Democracy And Religion Checks And Balances For Democratic Souls versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a

nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books and manuals for download and embark on your journey of knowledge?

FAQs About Tocqueville Democracy And Religion Checks And Balances For Democratic Souls Books

1. Where can I buy Tocqueville Democracy And Religion Checks And Balances For Democratic Souls books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
