

Writing British Infanticide Child Murder Gender And Print 1722 1859

Heather Montgomery

Writing British Infanticide Child Murder Gender And Print 1722 1859:

Writing British Infanticide Jennifer Thorn, 2003 *Writing British Infanticide* tracks the ways that the circulation of narratives of child murder in eighteenth and nineteenth century Britain shaped perceptions and punishments of the crime and more elusively hierarchies of class and gender The essays brought together in this volume pose the question How are we to understand the proliferation of writing about child murder in eighteenth and nineteenth century Britain the overlap of an expanding print culture with the widely evident narration of this particular crime Further what are we to make of the recurrent and remarkably consistent representation of child murder as the special province of unmarried desperate women Focussing on specific instances of the transformative effect of the circulation of narratives of child murder *Writing British Infanticide* takes as its purview not child murder per se but the ways that writing about its credentialed and differentiated writers in different but often overlapping genres and moments in a key period in the expansion of print Jennifer Thorn is an Assistant Professor of English at Duke University

Invoking Slavery in the Eighteenth-Century British Imagination
Srividhya Swaminathan, Adam R. Beach, 2016-05-06 In the eighteenth century audiences in Great Britain understood the term slavery to refer to a range of physical and metaphysical conditions beyond the transatlantic slave trade Literary representations of slavery encompassed tales of Barbary captivity the exotic slaving practices of the Ottoman Empire the political enslavement practiced by government or church and even the harsh life of servants under a cruel master Arguing that literary and cultural studies have focused too narrowly on slavery as a term that refers almost exclusively to the race based chattel enslavement of sub Saharan Africans transported to the New World the contributors suggest that these analyses foreclose deeper discussion of other associations of the term They suggest that the term slavery became a powerful rhetorical device for helping British audiences gain a new perspective on their own position with respect to their government and the global sphere Far from eliding the real and important differences between slave systems operating in the Atlantic world this collection is a starting point for understanding how slavery as a concept came to encompass many forms of unfree labor and metaphorical bondage precisely because of the power of association

"Addiction and British Visual Culture, 1751-1919" Julia Skelly, 2017-07-05 Highly innovative and long overdue this study analyzes the visual culture of addiction produced in Britain during the long nineteenth century The book examines well known images such as William Hogarth's *Gin Lane* 1751 as well as lesser known artworks including Alfred Priest's painting *Cocaine* 1919 in order to demonstrate how visual culture was both informed by and contributed to discourses of addiction in the period between 1751 and 1919 Through her analysis of more than 30 images Julia Skelly deconstructs beliefs and stereotypes related to addicted individuals that remain entrenched in the popular imagination today Drawing upon both feminist and queer methodologies as well as upon extensive archival research *Addiction and British Visual Culture 1751-1919* investigates and problematizes the long held belief that addiction is legible from the body thus positioning visual images as unreliable sources in attempts to identify

alcoholics and drug addicts Examining paintings graphic satire photographs advertisements and architectural sites Skelly explores such issues as ongoing anxieties about maternal drinking the punishment and confinement of addicted individuals the mobility of female alcoholics through the streets and spaces of nineteenth century London and soldiers use of addictive substances such as cocaine and tobacco to cope with traumatic memories following the First World War **Familiar**

Violence Heather Montgomery,2024-02-07 Child abuse casts a long shadow over the history of childhood Across the centuries there are numerous accounts of children being beaten neglected sexually assaulted or even killed by those closest to them This book explores this darker side of childhood history looking at what constituted cruelty towards children in the past and at the social responses towards it Focusing primarily on England it is a history of violence against children in their own homes covering a large timeframe which extends from medieval times to the present Undeniably the experience of children in the past was often brutal and children were treated with what seems to contemporary mores callousness and cruelty However historians have paid far less attention to how the mistreatment of children was understood within its contemporary context Most parents both now and in the past loved their children and there have always been widely shared understandings of the boundaries that separate the acceptable treatment of children from the intolerable and morally wrong This book will examine how these boundaries have changed and been contested over time and in doing so provides a context to the many forms of violence experienced by children in the past Also available as an audiobook **Histories of Crime**

Anne-Marie Kilday,David Nash,2010-06-03 Providing a rounded and coherent history of crime and the law spanning the past 400 years Histories of Crime explores the evolution of attitudes towards crime and criminality over time Bringing together contributions from internationally acknowledged experts the book highlights themes current issues and key debates in the history of deviance and bad behaviour including Marital cruelty and adultery Infanticide Murder The underworld Blasphemy and moral crimes Fraud and white collar crime The death penalty and punishment Individual case studies of violent and non violent crime are used to explore the human means and motives behind criminal practice Through these the book illuminates society s wider attitudes and fears about criminal behaviour and the way in which these influence the law and legal system over time This fascinating book is essential reading for students and teachers of history sociology and criminology as well as anyone interested in Britain s criminal past **The Royal Throne of Mercy and British Culture in the Victorian Age**

James Gregory,2020-10-01 In the first detailed study of its kind James Gregory s book takes a historical approach to mercy by focusing on widespread and varied discussions about the quality virtue or feeling of mercy in the British world during Victoria s reign Gregory covers an impressive range of themes from the gendered discourses of emotional appeal surrounding Queen Victoria to the exercise and withholding of royal mercy in the wake of colonial rebellion throughout the British empire Against the backdrop of major events and their historical significance a masterful synthesis of rich source material is analysed including visual depictions paintings and cartoons in periodicals and popular literature and literary ones

in sermons novels plays and poetry Gregory's sophisticated analysis of the multiple meanings uses and operations of royal mercy duly emphasise its significance as a major theme in British cultural history during the long 19th century This will be essential reading for those interested in the history of mercy the history of gender British social and cultural history and the legacy of Queen Victoria's reign

Convict Voices Anne Schwan, 2014-12-02 In this lively study of the development and transformation of voices of female offenders in nineteenth century England Anne Schwan analyzes a range of colorful sources including crime broadsides reform literature prisoners own writings about imprisonment and courtroom politics and conventional literary texts such as Adam Bede and The Moonstone Not only does Schwan demonstrate strategies for interpreting ambivalent and often contradictory texts she also provides a carefully historicized approach to the work of feminist recovery Crossing class lines genre boundaries and gender roles in the effort to trace prisoners authors and female communities imagined or real Schwan brings new insight to what it means to locate feminist or protofeminist details arguments and politics In this case she tracks the emergence of a contested and often contradictory feminist consciousness through the prism of nineteenth century penal debates The historical discussion is framed by reflections on contemporary debates about prisoner perspectives to illuminate continuities and differences Convict Voices offers a sophisticated approach to interpretive questions of gender genre and discourse in the representation of female convicts and their voices and viewpoints

Studies in the Literary Imagination, 2018 *The Scriblerian and the Kit-Cats*, 2004

Parents of Poor Children in England 1580-1800 Patricia M. Crawford, 2010-02-18 The first sustained study of the mothers and fathers of poor children in early modern England drawing upon a wide range of archival material including quarter session records petitions for assistance applications for places in the London Foundling Hospital and evidence from criminal trials in London's Old Bailey

Teaching the Transatlantic Eighteenth Century Jennifer Frangos, Cristobal Silva, 2010 The central axiom of Teaching the Transatlantic Eighteenth Century is that the classroom functions as a site for research and collaboration not only as a space that reflects the research of individual teacher scholars but as a generative site to put ideas theories and methodologies into play Whereas transatlanticism has transformed research practices over the last decade the present collection is concerned with exploring what this transformation looks like in the classroom and how the classroom continues to shape research practices in the field Contributors address issues such as how the traffic in ideas people and commodities between Europe Africa and the New World are considered in classroom settings how inter and intra departmental collaborations reshape our approaches to teaching the eighteenth century how and why Transatlantic Studies can function as an introduction to college study and how it can help more advanced students to revise their notions of nation place and identity By now there are a number of anthologies available to help instructors determine what transatlantic material to teach but none that engage why and how to teach it or what teaching it can do for us our students and our profession Rather than simply providing reading lists or a collection of anecdotes about lesson plans Teaching the Transatlantic Eighteenth

Century emphasizes theorizing critical engagements with interdisciplinary focus on and the transformative potential of Transatlantic Studies The primary market for Teaching the Transatlantic Eighteenth Century is university college and community college professors researchers and students with three specific subgroups 1 Teachers new to Transatlantic Studies Teachers coming to Transatlantic Studies for the first time will find both suggestions for materials or topical units to be integrated into existing courses e g a unit on transatlantic exchange that could figure in an eighteenth century literature survey course and ideas for developing new courses altogether 2 Teachers already teaching and or researching in the field of Transatlantic Studies Such scholars will find material to broaden their approach to familiar courses and subjects inter or cross disciplinary focus new texts successful clusterings of texts or themes or approaches and ideas for team teaching or linking courses with other faculty 3 Teachers involved in Transatlantic Studies programs especially those that focus on contemporary Post WWII context e g at the University of Dundee the University of North Carolina Chapel Hill and the University of Birmingham Teaching the Transatlantic Eighteenth Century will provide historical context for current geopolitical studies perspective on the dynamics and historical and political forces occurring in the eighteenth century and contributing to 19th 20th and 21st century politics nations and paradigms **The Eighteenth Century** Kevin L. Cope, Robert C. Leitz, 2007-09 Mobility and Modernity in Women's Novels, 1850s-1930s Wendy Parkins, 2009-01-15 Analyzing novels by women writers from the 1850s to the 1930s this book argues that representations of mobility offer a fruitful way to explore the location of women within modernity and specifically the opportunities for or limitations on women's agency in this period considering the mobility of the female subject in the city and beyond **Nineteenth-century Literature**, 2004 **Victorian Periodicals Review**, 2006 **Faustus** Johann Wolfgang von Goethe, 2007 An edition of an 1821 translation of Goethe's Faust which the editors both eminent scholars of Romantic literature conclude to have been written by the great English poet Samuel Taylor Coleridge Supported by stylometric analysis and other strong literary evidence and enhanced by full editorial notes the edition contributes significantly to our understanding of Coleridge's entire oeuvre Bibliographic Index, 2004 The Body in Medical Culture Elizabeth Klaver, 2009-04-16 Home bodies matters of weight in Renaissance women's medical manuals Hillary M Nunn Remapping maternity in the courtroom female defenses and medical witnesses in eighteenth century infanticide proceedings Sheena Sommers Surely he cannot be flesh and blood the early Victorian anatomical museum and the blackface minstrel Stephen Johnson The disabled imagination and the masculine metaphor in the works of Leonard Kriegel Hayley Mitchell Haugen Of genes mutations and desires in Franz Kafka's The metamorphosis and Moacyr Scliar's The centaur in the garden Catalina Florina Florescu The post biological body horror nostalgia and the Visible Human Project Natalia Lizama Endography a physician's dream of omniscience Catherine Belling Designer vaginas Alexa A Priddy and Jennifer L Croissant Trans gendered fabrications and the surgery debates Sally Hines On slanderous words and bodies out of control hospital humor and the medical carnivalesque Lisa Gabbert and Antonio

Writing British Infanticide Child Murder Gender And Print 1722 1859 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Writing British Infanticide Child Murder Gender And Print 1722 1859 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Writing British Infanticide Child Murder Gender And Print 1722 1859 has opened up a world of possibilities. Downloading Writing British Infanticide Child Murder Gender And Print 1722 1859 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Writing British Infanticide Child Murder Gender And Print 1722 1859 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Writing British Infanticide Child Murder Gender And Print 1722 1859. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Writing British Infanticide Child Murder Gender And Print 1722 1859. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Writing British Infanticide Child Murder Gender And Print 1722 1859, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Writing British Infanticide Child Murder Gender And Print 1722 1859 has transformed the way we access information. With

the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Writing British Infanticide Child Murder Gender And Print 1722 1859 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Writing British Infanticide Child Murder Gender And Print 1722 1859 is one of the best book in our library for free trial. We provide copy of Writing British Infanticide Child Murder Gender And Print 1722 1859 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Writing British Infanticide Child Murder Gender And Print 1722 1859. Where to download Writing British Infanticide Child Murder Gender And Print 1722 1859 online for free? Are you looking for Writing British Infanticide Child Murder Gender And Print 1722 1859 PDF? This is definitely going to save you time and cash in something you should think about.
