Compelling Confessions Suzanne Diamond, 2010-12-10 Compelling Confessions The Politics of Personal Disclosure is a collection of essays whose shared purpose is to offer an accessible interdisciplinary exploration of the social dynamics behind confessional discourse As various contributors to this collection demonstrate confession is ubiquitous in

contemporary culture not only within psychological or therapeutic frameworks or literary analysis but also in internet discussion groups in the criminal justice system in political rhetoric in so called reality and interview style television programming in writing pedagogy and increasingly in the testimonial strain observable in contemporary scholarship Yet telling one's story raises questions not only about authorial intent or authenticity but also about the pressures disclosure can impose upon its audiences Far less ubiquitous than confessions themselves as these contributors suggest are the critical tools that general audiences might employ in order to better evaluate the rhetoric of personal disclosure It is in fact the shortage of such tools responses and procedures that could be stated plainly and implemented by any reader or viewer that *Compelling Confessions* sets out to address

The Creative Writer's Survival Guide John McNally, 2010-04-15 I write this blurb in distress because for years I've been stealing John McNally's sharp insights into writing and publishing and passing them off as my own Now this generous so and so is sharing his vast experience as a writer and editor with everyone Worse yet this book despite its instructional value is irresistibly unputdownably readable Timothy Schaffert author *Devils in the Sugar Shop*

Writing True Stories Patti Miller, 2024-06-03 Patti Miller's best selling *Writing True Stories* is the essential book for anyone who has ever wanted to write a memoir or explore the wider territory of creative nonfiction It provides practical guidance and inspiration on a vast array of writing topics including how to access memories find a narrative voice build a vivid world on the page create structure use research and face the difficulties of truth telling It first develops a wide range of writing skills for beginners and then challenges more experienced writers to extend their knowledge and practice of the genre into literary nonfiction true crime biography the personal essay the diary and travel writing It offers inspiration from other nonfiction writers such as Joan Didion Helen Garner Robert Dessen and Zadie Smith Whether you want to write your own memoir investigate a wide ranging political issue explore an idea or bring to life an intriguing history this book will be your guide *Writing True Stories* is practical and easy to use as well as an encouraging and insightful companion on the writing journey Written in a warm clear and engaging style it will get you started on the story you want to write and keep you going until you get there

Eloquent Design Lisa A. Baird, 2015-09-18 Humans first attempts to record their thoughts resulted in images painted in the decorated caves throughout Europe known as Upper Paleolithic Art As humans developed written alphabets to record their thoughts in words the images they painted and the words they wrote competed for attention As the Sister Arts tradition attests words and pictures have developed along distinct though related lines With the rise of New Media however the innovative interanimation of words and pictures in the screen space of the computer deserves and requires artists and designers and rhetoricians to take a fresh look at the complexities of human communication particularly the way in which words and pictures share commonalities The range of image texts from cave to computer from palimpsests to pixels demands critical attention from modern designers who create innovative image texts for New Media *Eloquent Design: Essays on the Rhetorics of Vision* explores ancient image making as a basis for understanding the modern uses of

image texts in New Media Eloquent Design also considers the current state of imaginative design from the Sister Arts tradition to Gestalt theories of vision to social semiotics of image texts Moreover Eloquent Design proposes a generative method for creating image texts a technique called Rhetorical Vision Applications of the generative mode of Rhetorical Vision give rise to the innovative designs of palimpsests and experimental modes of writing such as creative nonfiction Essays in Eloquent Design outline a method for teaching Rhetorical Vision as the inter animation of words and pictures Creative Nonfiction ,2006 *The Art of Creative Nonfiction* Lee Gutkind,2007-08-24 A complete guide to the art and craft of creative nonfiction from one of its pioneer practitioners The challenge of creative nonfiction is to write the truth in a style that is as accurate and informative as reportage yet as personal provocative and dramatic as fiction In this one of a kind guide award winning author essayist teacher and editor Lee Gutkind gives you concise pointed advice on every aspect of writing and selling your work including Guidelines for choosing provocative and salable topics Smart research techniques including advice on conducting penetrating interviews and using electronic research tools Tips for focusing and structuring a piece for maximum effectiveness Advice on working successfully with editors and literary agents **True to Life** Beth Kaplan,2014-08-17 In fifty informative and inspiring steps Beth Kaplan shows you how to write your story by putting on your writer s hat then your editor s hat then digging down to bring out the vital details of the story and finally living the writing life Steps include Read Like a Writer Unleash the I Word Claim Your Truth Write from Scars Not Wounds Enter the Marketplace *No Going Back* Stephen David Smith,Carol Rittner,2009 Writing on the Edge ,2009 **Publications of the Modern Language Association of America** ,2006 **A Million Little Choices** ,2006 **Final Acts** Nan Bauer Maglin,Donna Marie Perry,2010 For those who yearn for some measure of control over deathFinal Acts offers insight and hope Writing in a style free of technical jargon the contributors discuss documents that should be prepared health proxy do not resuscitate order living will power of attorney decision making over medical interventions life support hospice and palliative care aid in dying treatment location speaking for those who can no longer express their will and the roles played by religion custom family friends caretakers money the medical establishment and the government *The Missouri Review* ,2006 Writing Creative Nonfiction Theodore Albert Rees Cheney,1987 What do writers as diverse as Tom Wolfe Norman Mailer Joan Didion and Hunter S Thompson have in common All are masters of the art of writing creative nonfiction capable of infusing the most prosaic of topics with wit poignancy and style Writing Dramatic Nonfiction William Noble,2000 Dramatic nonfiction is the relating of factual information in a manner that makes it as gripping as fiction Using the techniques and guidelines offered in this book writers will be able to create nonfiction works that rise to the level of great literature without sacrificing credibility Dramatic techniques such as flashbacks foreshadowing character development and scene intercuts are explained and guidelines for the use of such devices are furnished Recognising that dramatic or creative nonfiction is now an important part of the literary landscape this book teaches writers how to best craft exciting true
