Wuthering Heights Book:

Wuthering Heights Emily Brontë, 1845 Published in 1845 Emily Brontë's gothic novel set on the windy moors of Yorkshire is the story of the doomed love between Catherine Earnshaw and her father's adopted son Heathcliff. The book was initially poorly received by many critics who found its dark tragic story needlessly harsh and disturbing. That opinion has not endured and the only novel Emily Brontë published is now considered to be one of the great classics of English literature.

Wuthering Heights Emily Brontë, 2003-03 Emily Brontë's dark romance with an introduction from best-selling author Alice Hoffman. Heathcliff comes to the brooding mansion of Wuthering Heights as an orphan child. Cathy is the daughter of the wealthy family that takes him in. They are drawn together from the moment they meet; their love is consuming, destructive, and full of desire. They cannot be together and yet they cannot stay apart. The consequences will haunt generations. This is the chilling story of two people who experience love and all its intense complications. It is a story readers will never forget.

Brontë, 2011-07-18 Wuthering Heights is the only novel by Emily Brontë The name of the novel comes from the Yorkshire manor on the moors on which the story centers as an adjective wuthering is a Yorkshire word referring to turbulent weather The narrative tells the tale of the all encompassing and passionate yet thwarted love between Catherine Earnshaw and Heathcliff and how this unresolved passion eventually destroys them and many around them Now considered a classic of

English literature Wuthering Heights met with mixed reviews by critics when it first appeared mainly because of the narrative's stark depiction of mental and physical cruelty. Many subsequent critics of Wuthering Heights argued that it was a superior achievement. Wuthering Heights has also given rise to many adaptations and inspired works including films, radio, television dramatizations, a musical by Bernard J. Taylor, a ballet, three operas respectively by Bernard Herrmann, Carlisle Floyd, and Frédéric Chaslin, a role-playing game, and a song by Kate Bush.

Prologue chapters 1 to 3 Mr Lockwood, a rich man from the south, has rented Thrushcross Grange in the north of England for peace and recuperation. Soon after his arrival, he visits his landlord Mr Heathcliff, who lives in the remote moorland farmhouse called Wuthering Heights. He finds the inhabitants of Wuthering Heights to be a strange group. Mr Heathcliff appears a gentleman, but his mannerisms suggest otherwise. A reserved mistress of the house is in her mid-teens, and a young man appears to be one of the family, although he dresses and talks like a servant. Being snowed in, Mr Lockwood stays the night and is shown to an unused chamber where he finds books and graffiti from a former inhabitant of the farmhouse named Catherine. When he falls asleep, he has a nightmare in which he sees Catherine as a ghost trying to enter through the window. He wakes and is unable to return to sleep. As soon as the sun rises, he is escorted back to Thrushcross Grange by Heathcliff. There, he asks his housekeeper Ellen Dean to tell him the story of the family from the Heights.

The Childhood of Heathcliff chapters 4 to 17 Thirty years prior, the Earnshaw family lives at Wuthering Heights. The children of the family are the teenaged Hindley and his younger sister Catherine. Mr Earnshaw travels to Liverpool where he finds a homeless gypsy boy whom he decides to adopt, naming him Heathcliff. Hindley finds himself robbed of his father's affections and becomes bitterly jealous of Heathcliff. However, Catherine grows very attached to him. Soon, the two children spend hours on the moors together and hate every moment apart. Because of the domestic discord caused by Hindley and Heathcliff's sibling rivalry, Hindley is eventually sent to college. However, he marries a woman named Frances and returns three years later after Mr Earnshaw dies. He becomes master of Wuthering Heights and forces Heathcliff to become a servant instead of a member of the family. Several months after Hindley's return, Heathcliff and Catherine travel to Thrushcross Grange to spy on the Linton family. However, they are spotted and try to escape. Catherine, having been caught by a dog, is brought inside the Grange to have injuries tended to while Heathcliff is sent home. Catherine eventually returns to Wuthering Heights as a changed woman, looking and acting as a lady. She laughs at Heathcliff's unkempt appearance. When the Lintons visit the next day, Heathcliff dresses up to impress her. It fails when Edgar, one of the Linton children, argues with him. Heathcliff is locked in the attic where Catherine later tries to comfort him. He swears vengeance on Hindley. In the summer of the next year, Frances gives birth to a son, Hareton, but she dies before the year is out. This leads Hindley to descend into a life of drunkenness and waste.
