The Ancient Lie Christopher G. Nuttall, 2020-01-17 I know the words written But the words unwritten Those I don't know After the campaign in the Summer Isle Isabella rides out the winter storms by studying the godly magic under Mother Lembu in the process learning about the origins of the old gods Crown

Prince Reginald receives word that his father the King is ill and his sister Princess Sofia acting as regent is imposing a regime that is strangely similar to what had been happening on the Summer Isle nobles killed temples smashed enforced public worship of old gods Concerned that his family and indeed his homeland are in danger Reginald is determined to return home But the storms are still raging with what appears to be unnatural force making any attempt to return to Andalusia too risky for the Prince and his men unless Isabella can somehow use the new rituals she has learnt to placate the powers behind the storms and navigate the fleet safely home to face whatever has taken control of the kingdom Visit bit ly TheAncientLie
