Tribe Pyn Literary Generations Postmodern:

The Tribe of Pyn David Cowart, 2015-12-02 In *The Tribe of Pyn* Cowart offers illuminating readings of several important novelists now at the height of their powers whose work has received fairly limited scholarly attention thus far Jonathan Franzen Alice Walker David Foster Wallace Gloria Naylor Richard Powers and a raft of others are examined with lapidary care Wrestling with the challenges inherent to distinguishing generational character especially in the postmodern context which is often marked by its disavowal of ideas of origin etc Cowart teases out interactions and entanglements that help illuminate the work of the younger writers at the center of this study and also that of the trailblazers on its ragged frontiers By comparing literary figures born in the 1940s 1950s 1960s and later with those born in the 1920s and 1930s Cowart seeks to map the changing terrain of contemporary letters Hardly epigones he argues the younger writers add fresh inflections to the grammar of literary postmodernism Younger writers can continue to make it new Cowart establishes without needing to dismantle the aesthetic they have inherited from a parental generation After Postmodernism Christopher K. Coffman, Theophilus Savvas, 2020-12-17 Several of American literature's most prominent authors and many of their most perceptive critics and reviewers argue that fiction of the last quarter century has turned away from the tendencies of postmodernist writing Yet the nature of that turn and the defining qualities of American fiction after postmodernism remain less than clear This volume identifies four prominent trends of the contemporary scene the recovery of the real a rethinking of historical engagement a preoccupation with materiality and a turn to the planetary Readings of works by various leading figures including Dave Eggers Jonathan Franzen A M Homes Lance Olsen Richard Powers William T Vollmann and David Foster Wallace support a variety of arguments about this recent revitalization of American literature The chapters in this book were originally published as a special issue of the journal *Textual Practice* *The Cambridge Companion to Postmodern American Fiction* Paula Geyh, 2017-04-24 This Companion is an authoritative comprehensive and accessible guide to the key works genres and movements of postmodern American fiction *The Routledge Introduction to American Postmodernism* Linda Wagner-Martin, 2018-10-03 The Routledge Introduction to American Postmodernism offers readers a fresh insightful overview to all genres of postmodern writing Drawing on a variety of works from not only mainstream authors but also those that are arguably unconventional renowned scholar Linda Wagner Martin gives the reader a solid framework and foundation to reading understanding and appreciating postmodern literature since its inception through the present day Children of the Raven and the Whale Caroline Chamberlin Hellman, 2019-11-20 Taking its cue from Perry Miller's 1956 classic of American literary criticism *The Raven and the Whale* *The War of Words and Wits in the Era of Poe and Melville* Caroline Chamberlin Hellman's new book examines ways in which contemporary multi ethnic writers of the United States have responded to nineteenth and early twentieth century texts historically central to the American literary canon Each chapter of *Children of the Raven and the Whale* looks down the roads American literature ultimately traveled

examining pairs and constellations of texts in conversation In their rewritings and layerings of new stories over older ones contemporary writers forge ahead in their interrogations of a spectrum of American experience whether they or their characters are native to the United States first or second generation immigrants or transnational Revealing the traces of texts by writers such as Walt Whitman Herman Melville Nathaniel Hawthorne F Scott Fitzgerald Ernest Hemingway Richard Wright and James Baldwin lying beneath contemporary American literature by Chang rae Lee Jonathan Lethem Jhumpa Lahiri Junot Diaz Joseph O Neill Colum McCann and Ta Nehisi Coates Hellman posits the existence of a twenty first century American renaissance
