A Tribute of Affection to the Memory of the Late Rev. George W. Cole (Classic Reprint) Albert Cole,2018-01-23 Excerpt from A Tribute of Affection to the Memory of the Late Rev George W Cole A writer has somewhere said There are some persons upon whose foreheads every man can read the sentence of death written in the lines of a lingering sickness but they

sometimes hear the passing bell ring for stronger men even long before their own knell calls at the house of their mother earth to open her door and make a bed for them In the minds of those who have known the circumstances of my health the last three or four years it would have excited but little surprise had my own knell been rung long ere this But in regard to the subject of this Tribute we seemed to be mutually agreed in the impression that although other members of the family would probably find a premature grave he must live to be venerable for age wisdom and usefulness About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
