Science Fiction and the Historical Novel Ian P. MacDonald, Kate Polak, 2024-09-16 If you woke to realize that you could rewrite your yesterday without knowing the kind of tomorrow it would grant you would you do it Are the authors of our destiny working with an outline or spit balling confusing plotlines Since the past changes possible futures to what alighting butterfly should we pay the most heed This book explores the liminal space between speculative fiction and the historical novel Staged as a transnational multicultural conversation it takes up a call originally made by Fredric Jameson in *Archaeologies of the Future* wherein he describes that flashpoint between speculative and historical genres as the symptom of a mutation in our relationship to historical time itself Drawing together postcolonial feminist cultural Indigenous and cognitive approaches Science Fiction and the Historical Novel asks what the past can offer a future oriented world and how the future can be imagined in relation to a past that seeks narratives of inevitability rather than possibility Engaged with the idea of the past as a model for the future authors in this volume probe the extent to which historical scripts delimit possibilities and how authors engaged with the practice of alternative pasts rewrite potentialities in the present

The Treehouse Andrew J Brandt, 2019-04-26 In the woods that butt up against their quiet east Texas town middle schoolers Lucas Elijah and Tyler have spent the last three months building a

secret treehouse On the first night of spring break they sneak out to finally spend the night in the finished project Things quickly turn nightmarish when they witness a man bury a body just a few yards from their perch above the forest floor High school junior Allison Beaker isn't allowed to have a boyfriend but she sneaks out at night to spend time with Brandon a senior boy who plays on the varsity baseball team On one of these occasions their midnight rendezvous is interrupted when she and Brandon witness a man dump a body in the trunk of a car Unable to tell their parents what they've witnessed or where they were the boys decide it's up to them to catch the killer in fear that he may strike again However his next victim may be close to home and they quickly discover themselves and their loved ones in the killer's crosshairs The debut novel from author Andrew J Brandt **THE TREEHOUSE** offers a page turning coming of age affair of murder and mystery in the quiet town of Henderson TX Fans of *The Goonies* and *Stranger Things* will both rejoice and tremor in fear as the characters are pursued by a killer whose motives remain an enigma
