Trend Setters John Savory, B.SC., PH.D., John Savory, Constance Lyons, 2015-06-15 The Irish Setter has a long history as a hunting dog and its glorious appearance and outgoing personality has made it also a popular show dog and companion This book traces the history of the Irish Setter through three great breeders Eileen Walker Lee Schoen and Ted Eldredge who came together as if by destiny in the 1930s to develop a type that today influences the dogs that we see winning in the show ring ISAP, 1950 **Index to South African Periodicals, 1950-1959** Johannesburg (South Africa). Public Library, 1962

Pure-bred Dogs, American Kennel Gazette, 1976-05 *Tastemaker* Monica Penick, 2017-06-13 A riveting and superbly illustrated account of the enigmatic House Beautiful editor's profound influence on mid century American taste From 1941 to 1964 House Beautiful magazine's crusading editor in chief Elizabeth Gordon introduced and promoted her vision of good design and better living to an extensive middle class American readership Her innovative magazine sponsored initiatives including House Beautiful's Pace Setter House Program and the Climate Control Project popularized a livable and decidedly American version of postwar modern architecture Gordon's devotion to what she called the American Style attracted the attention of Frank Lloyd Wright who became her ally and collaborator Gordon's editorial programs reshaped ideas about American living and by extension what consumers bought what designers made and what manufacturers brought to market This incisive assessment of Gordon's influence as an editor critic and arbiter of domestic taste reflects more broadly on the cultures of consumption and identity in postwar America Nearly 200 images are featured including work by Ezra Stoller Maynard Parker and Julius Shulman This important book champions an often neglected source the consumer magazine as a key tool for deepening our understanding of mid century architecture and design A Supplement to the Oxford English Dictionary R.
