Triumph Legend 900 Manual:

Turning the Wheel Kevan Manwaring, 2011-11-25 The frisky Oss appeared the dancers and drummers in a kind of shamanic trance induced by a day of drumming dancing and beer They were wilder than ever the atmosphere was positively Bacchanalian and I felt we had all become lost in a kind of collective folk consciousness On two wheels across Britain Bard on a Bike Kevan Manwaring searches out the places and people who mark the seasons and cycles in their own special way in ceremonies and festivals both private and public large and intimate ancient and modern Along the way he experiences and relates moments of sacred time found in the unlikeliest of places and circumstances showing how it is a state of mind that can be experienced not only at sacred sites but in the everyday A collection of reflections about being fully alive in the Twenty First century as much a useful guide for the curious Turning the Wheel is a wise and witty account of a leather clad time traveller
