Michael Ham, 1996-12 *Investing in a Secular World* Gerald House DBA, 2022-08-30 What would your financial life look like if you managed your money and investments according to God s playbook the Bible We can spend most of our life trying to manage our finances from a secular viewpoint However this type of money survival will inevitably lead to frustrations and disappointments Alternatively we can follow the financial plan God has already blessed us with found in the Bible Step out in faith and let Dr Gerald House guide you through the maze of secular financial advice that often conflicts with God s plan to a biblical awareness that will provide a solid financial foundation for you and your family Embrace God s instructions on money and investing to live a life filled with contentment and gratification For which of you intending to build a tower does not sit down first and count the cost whether he has enough to finish it lest after he has laid the foundation and is not able to finish all who see it begin to mock him saying This man began to build and was not able to finish Luke 14 28 30 God wants us to prosper and live a life without struggling to meet our financial obligations He who did not spare His own Son but delivered Him up for us all how shall He not with Him also freely give us all things Romans 8 32 NKJV *Zebedee and Sons Fishing Co.* Philip W. Struble, 2017-05-22 One favorite story in the Bible is Jesus calling his first disciples along the Sea of Galilee Unfortunately when Jesus called James John Peter and Andrew to a life of ministry he called them away from their business partner Zebedee Zebedee a first century fisherman devoted Jew and entrepreneur watched his partners choose to walk away from their business obligations and follow Jesus to become fishers of men As Christians we are taught to turn to the Bible when we are in need of guidance When we are lost confused seeking growth or opportunity Gods Word is our source of strength and understanding And even though we may believe and practice Jesuss teachings we have unfortunately learned to separate our Christian values from our workplace We turn to self help books on

management workshops about accountability or seminars on increasing our business traffic We seek guidance from those successful in our industry or other experts in the secular world As company leaders we all too often forget that the most valuable source of information we have is from the Creator himself and is found in His Word which is designed to guide us through all of life's journeys This includes even our businesses This book is looking at our 21st century business world through Zebedee's eyes It demonstrates that the biblical knowledge from the first century is applicable to our business world today Zebedee will show us how we can better understand how God wants us to run our businesses even in the face of struggles despair and confusion He shows us how to establish sound business practices based on His Word and how to lead our businesses in the way God has called us The Bible is really the only book we need *Athenaeum and Literary Chronicle*
