Hamblin,2022-08-24 Critical Essays on William Faulkner compiles scholarship by noted Faulkner studies scholar Robert W Hamblin Ranging from 1980 to 2020 the twenty one essays present a variety of approaches to Faulkner s work While acknowledging Faulkner as the quintessential southern writer particularly in his treatment of race the essays examine his work in relation to American and even international contexts The volume includes discussions of Faulkner s techniques and the psychological underpinnings of both the origin and the form of his art explores how his writing is a means of saying no to death examines the intertextual linkages of his fiction with that of other writers like Shakespeare Twain Steinbeck Warren

and Salinger treats Faulkner's use of myth and his fondness for the initiation motif and argues that Faulkner's film work in Hollywood is much better and of far greater value than most scholars have acknowledged. Taken as a whole Hamblin's essays suggest that Faulkner's overarching themes relate to time and consequent change. The history of Faulkner's Yoknapatawpha stretches from the arrival of the white settlers on the Mississippi frontier in the early 1800s to the beginnings of the civil rights movement in the 1940s. Caught in this world of continual change that produces a great degree of uncertainty and ambivalence the Faulkner character and reader must weigh the traditions of the past with the demands of the present and the future. As Faulkner acknowledges this process of discovery and growth is a difficult and sometimes painful one yet as Hamblin attests to engage in that quest is to realize the very essence of what it means to be human. **The Oxford**

Encyclopedia of American Literature Jay Parini, 2004. The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present. At the core of the Encyclopedia lie 250 essays on poets, playwrights, essayists and novelists. Figures such as Whitman, Melville, Faulkner, Frost and Morrison are discussed in detail with each examined in the context of his or her times, an assessment of the writer's current reputation, a bibliography of major works and a list of major critical and biographical works about the writer. Fifty entries on major works such as *Moby Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman* and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach. The Encyclopedia also contains essays on literary movements, periods and themes pulling together a broad range of information and making connections between them. Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease. The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature, libraries looking for one comprehensive source and readers interested in American literature, its authors and its connection with various areas of study. **As I Lay Dying** William Faulkner, 2010. Long been recognized not only as one of William Faulkner's greatest works but also as the most accessible of his major novels.

Faulkner at 100 Donald M. Kartiganer, Ann J. Abadie, 2009-09-18. William Faulkner was born September 25, 1897. In honor of his centenary the Faulkner and Yoknapatawpha Conference of 1997 brought together twenty-five of the most important Faulkner scholars to examine the achievement of this writer generally regarded as the finest American novelist of the twentieth century. The essays and panel discussions that make up *Faulkner at 100: Retrospect and Prospect* provide a comprehensive account of the man and his work including discussions of his life, the shape of his career and his place in American literature as well as fresh readings of such novels as *The Sound and the Fury*, *Absalom, Absalom!*, *If I Forget Thee, Jerusalem* and *Go Down, Moses*. What emerges from this commemorative volume is a plural Faulkner: a writer of different value and meaning to different readers; a writer still challenging readers to accommodate their highly varied approaches to what Andr  Bleikasten calls Faulkner's abiding

Allen, 2018-03-29 Time and Literature features twenty essays on topics from aesthetics and narratology to globalisation and queer temporalities and showcases how time studies often referred to as the temporal turn cut across and illuminate research in every field of literature as well as interdisciplinary approaches drawing upon history philosophy anthropology and the natural sciences Part one Origins addresses fundamental issues that can be traced back to the beginnings of literary criticism Part two Developments shows how thinking about Time has been crucial to various interpretive revolutions that have impacted literary theory Part three Application illustrates the centrality of temporal theorising to literary criticism in a variety of contemporary approaches from ecocriticism and new materialisms to media and archive studies The first anthology to provide a synthesis of recent scholarship on the temporality of literary language from across different national and historical periods Time and Literature will appeal to academic researchers and interested laypersons alike *The Possibility of America* David Dark, 2019-04-09 Published in the years following 9 11 David Dark's book *The Gospel according to America* warned American Christianity about the false worship that conflates love of country with love of God It delved deeply into the political divide that had gripped the country and the cultural captivity into which so many American churches had fallen In our current political season the problems Dark identified have blossomed The assessment he brought to these problems and the creative resources for resisting them are now more important than ever Into this new political landscape and expanding on the analysis of *The Gospel according to America* Dark offers *The Possibility of America* How the Gospel Can Mend Our God Blessed God Forsaken Land Dark expands his vision of a fractured yet redeemable American Christianity bringing his signature mix of theological cultural and political analysis to white supremacy evangelical surrender and other problems of the Trump era **Transatlantic Renaissances** Kathryn Stelmach Artuso, 2013 The impulses that fired the Southern Literary Renaissance echoed the impetus behind the Irish Literary Revival at the turn of the twentieth century when Ireland sought to demonstrate its cultural equality with any European nation and disentangle itself from English imposed stereotypes Seeking to prove that the South was indeed the cultural equal of greater America despite the harsh realities of political

defeat economic scarcity and racial strife Southern writers embarked on a career to re imagine the American South and to re invent literary criticism Transatlantic Renaissances Literature of Ireland and the American South traces the influence of the Irish Revival upon the Southern Renaissance exploring how the latter looked to the former for guidance artistic innovation and models for self invention and regional renovation While Deleuze and Guattari s model for minor literature refers to minority or regional authors who work within a major language for purposes of subversion Artuso modifies their term along generic and thematic lines to refer to errant female juveniles within subsidiary genres whose nonconformist development threatens to disrupt the dominant patriarchal culture of a region or nation Using the themes of initiation and maturation to anchor the book Artuso analyzes how the volatile development of young women in revivalist texts often reflects or questions larger growth pangs and patterns including the evolution of the literary revival itself and the development of a regional minority group that must work within a dominant culture language and nation while seeking methods of subversion With minor literature as the container for undervalued genres such as popular fiction and short stories often considered an author s juvenilia this work investigates not only how these texts challenge the authoritative claims of the novel but also scrutinizes the renaissance trope of female rebirth as the revivalists often figured cultural national or regional regeneration through the metamorphoses or maturation of female protagonists such as Cathleen n Houlihan Scarlett O Hara and Virgie Rainey Drawing upon New Historical New Critical and postcolonial approaches Artuso examines works by Lady Gregory Margaret Mitchell Eudora Welty Elizabeth Bowen Jean Toomer and James Joyce
