Chandler, 2016-12-05 This volume discusses the importance of a multidimensional and multidisciplinary approach to Christian formation based upon godly love and the imago Dei Latin image of God Grounded biblically and theologically this interdisciplinary collection offers perspectives drawn from spirituality ethics philosophy psychology counselling ecclesiology physical health sciences and leadership studies Contributors address spiritual emotional and psychological formation while

highlighting how suffering has the potential to draw one closer to God and others The book also details vocational development appropriate stewardship of the physical body and the ways in which the Eucharist sacramentally contributes to the process of formation The book concludes with a call for further exploration of additional research trajectories not the least of which is how Christian formation contributes to the *missio Dei* the mission of God **The Glory of Preaching**

Willard,2022-06-21 Can we afford to chase beauty in a world that emphasizes distraction and naked ambition over a lifestyle of wonder and spiritual restfulness The everyday road of life is littered with the pains of growing up loving and failing to love of peace and discord What is God saying through all the muck of life God speaks to us through beauty But to hear his words we must slow down and listen with our hearts What would happen if we slowed down and looked at the world and our lives with new eyes The Beauty Chasers shows us a secret passageway that leads beyond the utility mindset that banished beauty from our hearts Author Tim Willard gives us a guidebook for discovering how to see the world with fresh eyes and let beauty guide us in life and our relationship with God The Beauty Chasers will inspire you to live life as a participant instead of a spectator guide you toward a life of presence rather than distraction give you permission to slow down and drink from the well of spiritual rest refresh your perspective on the wonder full ways of God help you live like beauty matters Are you ready to live life to a different cadence Do you find yourself longing to recapture the wonder in your spiritual journey Are you willing to walk the path less traveled If so then read on friend

Discipleship that Fits Bobby Harrington,Alex Absalom,2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways

as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today *Mom Seeks God* Julia Roller, 2014-04-01 The first months and years of motherhood can be the most challenging and disorienting of your life and faith When you're surrounded by the happy chaos of children how do you spend quiet time with God if the only quiet time you get is while you sleep How can you demonstrate a solid spiritual life to your children if you don't have time to pursue one yourself When Julia Roller discovered that her spiritual growth had been stunted by the busyness of life with her toddler she embarked on a yearlong journey through ten spiritual disciplines prayer fellowship submission study simplicity silence worship fasting service and celebration As she focused on each discipline she discovered practical ways to observe them even in the chaos of her every day *Mom Seeks God* offers a highly relatable story and useful advice to help new moms grow in their faith as they address life changes with grace patience and prayer As readers discover ten essential faith practices they'll learn that motherhood itself is a spiritual discipline and may be God's most effective technique for forming a more Christ-like life **Seven Keys to Spiritual Renewal** Stephen Arterburn, David Stoop, 1998 The authors of *The Life Recovery Bible* now describe seven keys or tools everyone can use in life in order to experience renewal and transformation *Catching the Wind of the Spirit* Sunder Krishnan, 2010-08-31 In *Catching the Wind of the Spirit* Rev Krishnan explores eight spiritual disciplines the sails that we must hoist if we are to catch the wind of the Spirit Worship Scripture meditation Study Prayer Confession Fellowship Service and Giving The Holy Spirit is much the same as the wind and the sailboat says Rev Sunder Krishnan It is the Spirit of God who performs the vital work of transforming each of us into the image of our Savior and Lord But in order to be effectively steered and directed by the Spirit we must embrace the spiritual disciplines that will help us gradually and progressively be transformed into the image of Christ Each chapter includes questions for individual or group study *The Spirit of Our Politics* Michael R. Wear, 2024-01-23 For those discouraged and exhausted by the bitterness and rage in our politics Michael Wear offers a new paradigm of political involvement rooted in the teachings of Jesus and drawing insights from Dallas Willard's approach to spiritual formation When political division shows up not only on the campaign trail but also at our dinner tables we wonder Can we be part of a better way *The Spirit of Our Politics* says yes offering a distinctly Christian approach to politics that results in healing rather than division kindness rather than hatred and hope rather than despair In this profound and hope-filled book Michael Wear a leading thinker and practitioner at the

intersection of faith and politics applies insights taken from the work of Dallas Willard to argue that by focusing on having the right politics we lose sight of the kind of people we are becoming to destructive results This paradigm shifting book reveals Why we need to reframe how we view our political involvement as Christians How as Christians we can reorient our politics for the good of others The crucial connection between discipleship to Jesus and political involvement A different way of talking about politics that is edifying not stomach turning How to navigate political strife in churches and small groups Why who we are in our political life is not quarantined from who we are in real life Why gentleness is entirely possible in our political discourse The Spirit of Our Politics is for readers of any political perspective who long for a new way to think about and engage in politics That new approach begins with a simple question What kind of person would I like to be *Word To Silence* Matthew K. H. Leong, 2019-10-01 Preface by Gary W Moon Introduction Word to Silence PART ONE WHY SILENCE PART TWO VOICES ON SILENCE PART THREE ENTERING SILENCE Appendices Bibliography **The Spiritual Practices of South African Clergy** Shaun Joynt, 2024-12-15 Clergy play an important role in the spiritual wellbeing of their congregation They are entrusted by the Great Shepherd to shepherd his flock which entails leading them to green pastures and still waters for example pastoral care and defending them from predatory animals for example heresy However clergy are sheep before they are shepherds and are also in need of the green pastures and still waters of meditation prayer fasting and Bible study These are known as inward spiritual disciplines exercises and have been practiced for centuries Spiritual Practices of South African Clergy State of the Clergy discusses these inward spiritual disciplines mental physical spiritual and social benefits The volume explores how clergy from five diverse denominations practice these specific inward spiritual disciplines They include the Methodist Netherdutch Pentecostal Presbyterian and Roman Catholic faith traditions This book focuses on clergy in the Global South and how they practice these spiritual disciplines within their context Clergy congregants academics and lay persons alike will benefit from the research conducted Honest to God?
