The State Of The African American Male Courageous Conversations:

The State of the African American Male Eboni M. Zamani-Gallaher, Vernon C. Polite, 2012-01-01 The circumstances affecting many African American males in schools and society remain complex and problematic In spite of modest gains in school achievement and graduation rates conditions that impede the progress of African American males persist high rates of school violence and suspensions overrepresentation in special education classes poor access to higher education high incidence of crime and incarceration gender and masculine identity issues and HIV AIDS and other health crises The essays gathered here focus on these issues as they exist for males in grades K 12 and postsecondary education in Michigan However the authors intend their analyses and policy recommendations to apply to African American males nationally Although it recognizes the current difficulties of this population overall this is an optimistic volume with a goal of creating policies and norms that help African American males achieve their educational and social potential In this era of widespread change for all members of American society regardless of race this book is a must read for educators and policymakers alike

College student populations are becoming increasingly more diverse as students from diverse backgrounds have greater access to higher education. Additionally, governing bodies have heightened expectations related to student success, retention, and time to degree, thus holding institutions of higher education more accountable. With a changing student demographic and increased accountability measures, faculty and administrators are seeking effective strategies to enhance intercultural responsiveness among underrepresented populations to support their success. *Developing an Intercultural Responsive Leadership Style for Faculty and Administrators* is a critical research publication that examines student retention and success among underrepresented college student populations by analyzing factors impacting their persistence towards graduation as well as exploring strategies to enhance intercultural responsiveness among these populations. Featuring a wide range of topics such as diversity, intercultural fluency, STEM education, and lifelong learning, this book is ideal for administrators, faculty, academicians, policymakers, researchers, and students.

The State of Black America 2007 National Urban League, 2007. According to the 2007 National Urban League Equality Index, although many Black men are doing well, glaring economic and other gaps continue to exist between them and their white counterparts. Because of its devastating and far-reaching ramifications, the status of the Black male is the most serious economic and civil rights challenge we face today. The 2007 State of Black America report takes up this challenge with a fresh and in-depth look at the current conditions facing the Black male. Based on this research and analysis by some of America's best minds, the National Urban League presents several targeted and comprehensive recommendations designed to eliminate the equality gaps and empower all Black Americans, male and female.

The Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 1997. This is the first comprehensive one-volume reference work devoted to African American literature. It contains much information on little-known writers unavailable elsewhere. The book covers all types of genre and examines unique aspects of Afro-Americanism.

African-American Philosophy Tommy Lee Lott, 2002. This anthology brings together a selection of historical and contemporary writings on topics in African American Philosophy. Questions regarding a wide range of issues including slavery and freedom, social progress, self-respect, alienation, sexuality, cultural identity, nationalism, feminism, Marxism, and violence are critically examined from different perspectives by well-known philosophers and by non-philosophers from many disciplines. It emphasizes the historical significance of the philosophical arguments within very specific social and political contexts. Features substantial extracts and, in some cases, complete works by important 19th and 20th-century social and political thinkers, organized under sections on Antebellum Critical Thought, Emigrationist and Diaspora Thought, Assimilation and Social Uplift, Contemporary Black Feminist Thought, Civil Rights and Civil Disobedience, Marxism and Social Progress, Rebellion and Radical Thought, Social Activism Reconsidered, Black Women Writers on Rape and Alienation, and Self-Respect. For anyone interested in the African American experience and American history.
