Butterfly Joined with an escort of my kindred I will ascend within a cone of light in the night sky in soundless flight a cortege to souls rising When the heavens open to welcome home its children at that moment I will look in and glimpse the workings of the Divine I will quickly turn away this one glimpse on this one day enough for all eternity As the heavens close and first light crowns the horizon I will fly away with my secret alone somewhere in time **Quest for Silence** Harry A. Wilmer, 2000

Whatever happened to silence Actually nothing and Harry Wilmer takes great pains to show how we have submerged it under a toxic barrage of noise Using both clinical examples of the power of silence from his case histories and cultural values of silence he uncovers a astonishing theme in the Japanese idea of MA as silence Wilmer points out how silence gives meaning to words dreams thought action and music From his long experience as a Jungian analyst he weaves his ideas into an eminently practical treatise on the phenomenology of silence With many references to literature as well as his personal life experiences and crises he offers a readable and important new story of the universal and spiritual significance of silence in a world of jackhammer noise
