Hartin, 2008-02 Dennis Hartin has created a wonderful and humorous way to help children youth and perhaps even some adults to learn the differences between how the Christmas story is told in the books of Matthew and Luke Act One tells the Christmas story as we learn it from the book of Matthew complete with Joseph Mary Herod and Magi Acts Two and Three tell the story as found in Luke you hear from Gabriel Zachariah Elizabeth Mary Joseph shepherds and the Herald Angel Double Take is designed for a production with no set no budget no live musical accompaniment and where the cast reads from their scripts Only two full cast rehearsals are needed The cast is arranged so that only one speaker appears in more than one act The group can rehearse all three acts not including the music during the first rehearsal Vocal piano scores for the sung music

selections of the pageant are included Length 35 45 minutes Cast Up to 20 or more speaking parts plus additional opportunities for non speaking parts *The Backward Christmas Pageant* Dennis Hartin,2003-08-01 This will change everything people say when something new or dramatic happens in their lives and often it does just that How do we tell the story of how the birth of Christ changed things long ago and how it continues to change things Tell the story backward Part of the point of The Backward Christmas Pageant is that time doesn't matter in this story The birth of a baby two thousand years ago changed everything God's grace is timeless The pageant ends with This will change everything This pageant is designed for a production with no set no budget no live musical accompaniment and where the cast reads from their scripts If you have a set budget live accompaniment and decide to memorize it all you can still perform this pageant Cast members and production staff should be dressed to approximate shepherds Mary and Joseph wise men and angels with costumes and props Only two full cast rehearsals are needed The cast is arranged so that only one speaker appears in more than one act The group can rehearse all three acts not including the music during the first rehearsal This allows each child to spend time practicing rather than waiting for a turn to say their lines The second rehearsal is just a matter of going straight through the script with actors and musicians This pageant can be staged with as few or as many sets costumes and props as you desire It works equally well with no costumes or sets read with scripts in hand as it does with a full production of costumes scenery and every word memorized Vocal piano scores for the sung music selections of the pageant are included The arrangements of the Christmas carols used during and between the acts afford you the option of having a choir a soloist or instrumentalists or others to participate in the pageant Length 35 45 minutes Cast Up to 25 speaking parts plus additional opportunities for non speaking parts **Celebrating The 12 Days of Christmas** Chris Marchand,2019-10-10 The song The 12 Days of Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In Celebrating the 12 Days of Christmas author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past *The End Is the Beginning* Matthew Ian Fleming,2024 Dragons battles beasts and plagues it's no wonder that Revelation is often called the scariest book in the bible The End Is the Beginning is a trusted companion that cuts through the echo chamber of apocalyptic anxiety with a clear picture of God's persistent love providing tools that carry readers into all corners of scripture Child of War Curtis Whitfield Tong,2010-09-30 Hours after attacking Pearl Harbor on December 7 1941 Japanese bombers stormed across the Philippine city of Baguio where seven year old Curt Tong the son of

American missionaries hid with his classmates in the woods near his school Three weeks later Curt his mother and two sisters were among the nearly five hundred Americans who surrendered to the Japanese army in Baguio Child of War is Tong's touching story of the next three years of his childhood as he endured fear starvation sickness and separation from his father while interned in three different Japanese prison camps on the island of Luzon Written by the adult Tong looking back on his wartime ordeal it offers a rich trove of memories about internment life and camp experiences Relegated first to the men's barracks at Camp John Hay Curt is taken under the wing of a close family friend who is also the camp's civilian leader From this vantage point he is able to observe the running of the camp firsthand as the war continues and increasing numbers of Americans are imprisoned Curt's days are occupied with work detail baseball and childhood adventures Along with his mother and sisters he experiences daily life under a series of camp commandants some ruling with intimidation and cruelty but one memorably with compassion In the last months of the war the entire family is finally reunited and their ordeal ends when they are liberated from Manila's Bilibid Prison by American troops Child of War is an engaging and thoughtful memoir that presents an unusual view of life as a World War II internee that of a young boy It is a valuable addition to existing wartime autobiographies and diaries and contributes significantly to a greater understanding of the Pacific War and its impact on American civilians in Asia
