The Sources of Modern Architecture and Design Nikolaus Pevsner, 1975 The Sources of Modern Architecture and Design (Second) (World of Art) Nikolaus Pevsner, 2024-06-04 An updated edition of this classic survey of the origins of twentieth century ideas in architecture and the applied arts The turn of the nineteenth century saw an extraordinary flowering of invention in architecture and design leading to the emergence of two contrasting styles art nouveau and the International Style Professor Nikolaus Pevsner brings clarity to this period of dynamic change by tracing the origins of twentieth century ideas in architecture and the applied arts Featuring a new foreword by the distinguished architectural historian Kenneth Frampton The Sources of Modern Architecture and Design has now been updated with color illustrations throughout *The Sources of Modern Architecture and Design* Nikolaus Bernhard Leon Pevsner, 1995 The Kpim of Social Order George Uzoma Ukagba, Des O. Obi, Iks J. Nwankwor, 2013-02-08 Frequently overlooked in the search of knowing and acting wisely are some important philosophical and cultural ideas and questions The kpim of Social Order boldly captures such ideas and questions for awareness through critical thinking The current volume in the Kpim Book Series makes the point that for a systematic analysis and significance of Social Order to be attained we need to ask What is the kpim or central core of Social Order of things Where does the deepest layer notion symbolism reality and application of social order programs human rights institutions communities diplomacy uprising social asset social power policy action inter culturalism global forces and all else lie How can we reach and understand the innermost part of Social Order in the modern world By gathering articles from seasoned experienced and emerged scholars from various backgrounds the book explores deep rooted questions touching on African context and related societies The refreshing perspectives analyses deep reflections vigorous arguments and representations shown by the essays are distinctive and have been referred to as a comprehensive reader in the season of inquiry meaning and significance of social order in the contemporary time This is a book no one should ignore Students scholars researchers universities colleges educationists institutions policy makers governments legislatures agencies labour unions civil society organizations occupy movements religious groups entrepreneurs and the general public will find this book as an asset and a must read The kpim of Social Order is therefore written out of the critical need to fill the gap for a decisive knowledge society in the modern world **The Sources of Modern Architecture and Design** Sir Nikolaus Pevsner, 1968 Illustration: A Concise History Andrew Hall, 2025-03-06 *Illustration A Concise History* is a dynamic visual journey through the landscape of illustration that maps the evolution of the discipline from the industrial revolution to the post digital age and showcases over 180 of its most iconic practitioners including Laura Knight Antonio Lopez K the Kollwitz and Hayao Miyazaki By contextualizing the subject within a framework of key political events cultural innovations and technological advances Andrew Hall redefines how we might think about illustration and the place that it has in our ever evolving global network The second half of this introductory volume follows

on from the ten chapters charting the chronology of illustration to provide a more in depth look at its specific commercial genres across eleven feature sections each including mini histories practical career advice and biographies of inspirational practitioners who operated within the field

History of Art Horst Woldemar Janson, Anthony F. Janson, 2004 For forty years this widely acclaimed classic has remained unsurpassed as an introduction to art in the Western world boasting the matchless credibility of the Janson name This newest update features a more contemporary more colorful design and vast array of extraordinarily produced illustrations that have become the Janson hallmark A narrative voice makes this book a truly enjoyable read and carefully reviewed and revised updates to this edition offer the utmost clarity in contributions based on recent scholarship Extensive captions for the book s incredible art program offer profound insight through the eyes of twentieth century art historians speaking about specific pieces of art featured throughout Significantly changed in this edition is the chapter on The Late Renaissance in which Janson offers a new perspective on the subject tracing in detail the religious art tied to the Catholic Reform movement whose early history is little known to many readers of art history Janson has also rearranged early Renaissance art according to genres instead of time sequence and he has followed the reinterpretation of Etruscan art begun in recent years by German and English art historians With a truly humanist approach this book gives written and visual meaning to the captivating story of what artists have tried to express and why for more than 30 000 years
