A Fine Madness Alan Judd, 2022-02-01 A captivating espionage novel that explores the life of theatrical genius and spy Christopher Marlowe whose violent death remains one of the most fascinating mysteries of the Elizabethan Age In Elizabethan England the queen's chief spymaster Francis Walsingham and his team of agents must maintain the highest levels of vigilance to ward off Catholic plots and an ever present threat of invasion from Spain One agent in particular a young Cambridge undergraduate of humble origins controversial beliefs and literary genius who goes by the name of Kit Marlowe is relentless in his pursuit of intelligence for the Crown When he is killed outside an inn in Deptford his mysterious death becomes the subject of rumor and suspicion that are never satisfactorily resolved Years later when Thomas Phelippes a former colleague of Marlowe's finds himself imprisoned in the Tower of London there is one thing that might give him his freedom back He must give the king every detail he is able to recall about his murdered friend's life and death But why is King James so fascinated about Kit Marlowe and does Phelippes know enough to secure his own redemption

Massacre at Paris Christopher Marlowe, 2021-04-24 massacre at paris From Christopher Marlowe **The Jew of Malta** Christopher Marlowe, 1885 The Jew of Malta Christopher Marlowe, 2021-01-28 The Jew of Malta written around 1590 can present a challenge for modern audiences Hugely popular in its day the play swings wildly and rapidly in genre from pointed satire to bloody revenge tragedy to melodramatic intrigue to dark farce and grotesque comedy Although set in the Mediterranean island of Malta the play evokes contemporary Elizabethan social tensions especially the highly charged issue of London's much resented community of resident merchant foreigners Barabas the enormously wealthy Jew of the play's title appears initially victimized by Malta's Christian Governor who quotes scripture to support the demand that Jews cede

their wealth to pay Malta's tribute to the Turks. When he protests, Barabas is deprived of his wealth, his means of livelihood, and his house, which is converted to a nunnery. In response to this hypocritical extortion, Barabas launches a horrific and sometimes hilarious course of violence that goes well beyond revenge, using murderous tactics that include everything from deadly soup to poisoned flowers. The play's sometimes complex treatment of anti-Semitism and its relationship to Shakespeare's *Merchant of Venice* remain matters of continuing scholarly reflection.
